

Acorus gramineus 'Ogon'

Sweet Flag (Code: 4254)

The tufting, golden, evergreen foliage makes a striking border or accent plant. It even tolerates standing water. A "Great Plant Pick" for the Pacific Northwest! (12" x 12") Zn6.

Agastache 'Blue Fortune'

Anise Hyssop (Code: 6204)

Long lasting, deep lilac-blue flower spikes top fragrant foliage. A "Great Plant Pick" for the Pacific Northwest! One of the hardiest and dependable Agastache. (30" x 24") Zn6.

Asarum europaeum

European Wild Ginger (Code: 2174)

This evergreen groundcover forms a lush carpet of glossy green leaves. Unusual purplish-green flowers appear hidden beneath the foliage in late spring. It grows best in rich, moist soil in part shade. A "Great Plant Pick" for the Pacific Northwest! (3" x 12") Zn4.

Aster x frikartii 'Monch'

Frikart's Aster (Code: 2205)

Lovely large, single, lavender-blue flowers bloom for an extraordinarily long time - from summer through fall. This "Great Plant Pick" for the Pacific Northwest makes an excellent cut flower too! (2' x 2') Zn5.

Athyrium niponicum 'Pictum'

Japanese Painted Fern (Code: 6968)

Silvery-gray, metallic-appearing fronds have garnet veins extending to the tips. Long-lived and reliable in moist, humus-rich soil. 2004 Perennial Plant Association Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! (12-18" x 18-24") Zn3.

Blechnum spicant

Deer Fern (Code: 7488)

This NW native, tufted fern has compact, symmetrical, lustrous evergreen fronds. A "Great Plant Pick" for the Pacific Northwest, it is an essential ingredient for the natural woodland garden, as either an accent plant or groundcover. (16" x 24") Zn5.

Calamagrostis x acutiflora 'Karl Foerster'

Feather Reed Grass (Code: 5160)

Upright soft green leaves are topped by tall, vertical, rose-colored plumes that mature to a golden-wheat color. This 2001 Perennial Plant Association Plant of the Year is also a "Great Plant Pick" for the Pacific Northwest! (5' x 2') Zn4.

Agapanthus 'Storm Cloud'

Lily of the Nile (Code: 7117)

Spectacular deep blue-violet flower heads stand high above grassy green foliage, followed by decorative seed pods. A terrific container plant that overwinters well indoors in colder climates. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn7.

Amsonia hubrichtii

Blue Star Flower (Code: 6293)

This carefree midwest native perennial boasts graceful, willow-like leaves topped by clusters of steely-blue, star-shaped flowers. Dazzling display of fall color too! 2011 Perennial Plant Association Perennial Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! (36-48" x 18") Zn4.

Aster lateriflorus (Symphyotrichum lateriflorum var. lateriflorum) 'Prince'

Calico Aster (Code: 6384)

Tiny, rosy-eyed white daisies top dense deep purple foliage. An absolutely stunning combination! A "Great Plant Pick" for the Pacific Northwest. (2' x 2') Zn4.

Athyrium felix-femina 'Frizelliae'

Tatling Fern (Code: 7688)

This distinctive fern has deep green fronds that resemble necklaces. Delicate looking, but adaptable as any lady fern. A "Great Plant Pick" for the Pacific Northwest! (12-18" x 12-18") Zn3.

Azara microphylla

Boxleaf Azara, Chinchin (Code: 6477)

This small tree has dark, glossy evergreen foliage similar to boxwood. Tiny yellow flowers scented of white chocolate appear in late winter, followed by tiny blood-red fruit. It prefers well-drained soil. (15' x 6') Zn7.

Brunnera macrophylla 'Jack Frost'

Siberian Bugloss (Code: 7389)

The leaves have frosty-silver overlay and light green veining. Tiny clusters of pretty forget-me-not flowers appear in spring. A "Great Plant Pick" for the Pacific Northwest that is perfect for the woodland garden! (12-15" x 15") Zn3. PP13859 Propagation Prohibited.

Campanula 'Birch Hybrid'

Adriatic Bellflower (Code: 2280)

Spectacular 1" bell-shaped violet flowers cover this perennial for many months. It vigorously spreads to form a small groundcover. A "Great Plant Pick" for the Pacific Northwest. (6" x 10") Zn5.

Campanula garganica 'Dickson's Gold'

Adriatic Bellflower (Code: 5937)

Starry lavender-blue flowers top brilliant golden foliage. An eye-catching, compact charmer, it brightens partial shade even when not in flower. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 6-12") Zn5.

Campanula poscharskyana

Adriatic Bellflower (Code: 2306)

A lovely, vigorous perennial with blue starry flowers that bloom for months. Drought tolerant and very adaptable, it's a "Great Plant Pick" for the Pacific Northwest. (6-9" x 14") Zn4.

Carex elata 'Bowie's Golden'

Golden Sedge (Code: 6285)

This incandescent, golden grass makes a gorgeous foliage accent for the mixed border or pond perimeter. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 24-36") Zn5.

Carex morrowii 'Ice Dance'

Variegated Sedge (Code: 6653)

Dark green leaves with white edges form arching mounds of evergreen foliage. It will spread to form a groundcover that's easy to control. A "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn5.

Caryopteris x clandonensis 'Dark Knight'

Bluebeard (Code: 2349)

Compact and showy deciduous shrub with profuse clusters of the deepest blue flowers late in the season. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn5.

Ceratostigma plumbaginoides

Plumbago (Code: 2370)

Electric-blue flowers provide a dramatic contrast with the garnet-red autumn foliage. This wonderful groundcover is also a "Great Plant Pick" for the Pacific Northwest! It breaks dormancy late in the spring, but it's worth the wait. (8-12" x 24") Zn6.

Cornus alba 'Elegantissima'

Tatarian Dogwood, Redtwig Dogwood (Code: 6474)

Reddish-purple winter stems and white-margined green leaves make this plant perfect for year-round interest in the garden. A "Great Plant Pick" for the Pacific Northwest! (6-9" x 4-6') Zn4.

Campanula portenschlagiana

Bellflower (Code: 5476)

This vigorous evergreen creeper bears large clusters of open, violet-blue, bell-shaped flowers that bloom for months. Drought tolerant, it's a "Great Plant Pick" for the Pacific Northwest. It will re-seed and naturalize to form a small colony. (4" x 24") Zn4.

Campanula poscharskyana 'Blue Gown'

Adriatic Bellflower (Code: 2254)

Star-like true-blue flowers are larger than the species and cover this low-growing variety for many months. Excellent in rock gardens or spilling over walls and container edges. A "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn3.

Carex morrowii 'Aureovariegata'

Variegated Sedge (Code: 2329)

This easy-to-grow evergreen grass forms a mounding clump of butter-yellow-striped leaves with green edges. A truly beautiful sedge, useful as an accent, in groups as a groundcover, or as a container subject. (12" x 15") Zn5.

Caryopteris incana 'Sunshine Blue'

Bluebeard (Code: 3262)

Bright golden foliage is accented by stunning deep blue flowers, late summer through fall. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6. PPAF Propagation Prohibited.

Ceanothus 'Victoria'

California Lilac (Code: 6712)

Masses of vivid dark blue flowers appear mid-spring. It grows into a lovely medium sized shrub with glossy evergreen leaves. Tough and trouble-free, it is a "Great Plant Pick" for the Pacific Northwest! (4-6' x 6') Zn7.

Cistus x corbariensis

White Rockrose (Code: 5680)

Deep green foliage sets off red buds in spring, followed by pure white flowers. One of the hardiest Cistus cultivars, this evergreen shrub tolerates poor soil and maritime conditions. A "Great Plant Pick" for the Pacific Northwest! (18-30" x 48") Zn7.

Cornus sericea 'Hedgerow's Gold'

Redosier Dogwood (Code: 6858)

Bright golden-yellow and green-variegated leaves contrast vividly against deep red stems. Eye-catching every season of the year. This Northwest native cultivar is a "Great Plant Pick" for the Pacific Northwest! (4-10' x 5') Zn4.

Crococsmia 'Lucifer'

Montbretia (Code: 2455)

Dramatic, deep red flowers line tall stately stems, with a strong upright, clumping habit. This late-blooming hummingbird favorite is a "Great Plant Pick" for the Pacific Northwest! (36" x 24") Zn6.

Dryopteris erythrosora

Autumn Fern (Code: 5341)

New growth is orange-bronze to copper and gradually fades to deep green by summer. The evergreen fronds remain erect in winter. A "Great Plant Pick" for the Pacific Northwest! (36" x 18") Zn5.

Echinacea purpurea 'White Swan'

Coneflower (Code: 2599)

Large white flowers with chartreuse cones are wonderful for bouquets. A beautiful selection and perfect for the mixed border. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Epimedium x rubrum

Bishop's Hat (Code: 7342)

Deep reddish-pink and white, 1/2" flowers float on wiry stems above red-rimmed new foliage in spring. A "Great Plant Pick" for the Pacific Northwest! (12" x 15") Zn5.

Eupatorium purpureum subsp. maculatum 'Gateway'

Joe Pye Weed (Code: 4056)

Sturdy, upright black stems carry terminal heads of rich pink flowers late summer through fall. This tall, moisture loving perennial is best used as an architectural plant with color highlights in fall. A "Great Plant Pick" for the Pacific Northwest! (5-6' x 3") Zn4.

Euphorbia characias ssp. wulfenii

Mediterranean Spurge (Code: 2658)

Large clusters of showy chartreuse bracts adorn this large-growing evergreen form from March to June. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6.

Geranium 'Ann Folkard'

Hardy Geranium (Code: 5521)

Brilliant magenta flowers with dark eyes contrast nicely with gold-chartreuse foliage. It has an excellent weaving growth habit and a very long bloom period. A "Great Plant Pick" for the Pacific Northwest. (7-24" x 27-35") Zn5.

Cynara cardunculus

Cardoon (Code: 5108)

Large silver-green, deeply-divided, spiny leaves are topped by 4-5" glowing blue-violet flowers in summer. Use as an unusual architectural plant specimen. A "Great Plant Pick" for the Pacific Northwest! (5' x 4') Zn7.

Echinacea purpurea 'Magnus'

Coneflower (Code: 2600)

Large, bright rose-pink daisies have prominent orange cones. Excellent for cutting and a butterfly magnet! 1998 Perennial Plant Association Plant of the Year. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Epimedium x perralchicum 'Frohnleiten'

Bishop's Hat (Code: 5955)

Red mottled foliage is topped by sprays of dainty butter-yellow flowers in spring and spreads 6-8" a year. A charming evergreen addition to the woodland garden. A "Great Plant Pick" for the Pacific Northwest! (12" x 16") Zn5.

Eucomis comosa 'Sparkling Burgundy'

Purple Pineapple Lily (Code: 4302)

An unusual perennial with strappy burgundy foliage. In late summer a miniature purple pineapple-shaped blossom emerges. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 24") Zn6.

Eupatorium rugosum 'Chocolate'

White Snakeroot (Code: 6167)

Cocoa-brown leaves are topped by clusters of white flowers late July to September. A unique and exciting addition to the back of the border. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 3') Zn4.

Euphorbia characias ssp. wulfenii 'John Tomlinson'

Spurge (Code: 4940)

Blue-gray foliage is topped by large glowing, chartreuse flower heads which are broad at the top and taper in at the bottom. Striking and easy to grow. 2009 "Great Plant Pick" for the Pacific Northwest! (32" x 24") Zn6.

Geranium 'Rozanne'

Cranesbill, Hardy Geranium (Code: 4673)

Showy, deep blue flowers with white eyes bloom profusely spring to frost! It has a mounding, slightly-weaving habit. 2008 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (20" x 24") Zn5. PP12175 Propagation Prohibited.

Geranium cinereum 'Lawrence Flatman'

Grayleaf Geranium (Code: 2694)

Magenta-veined, dark lavender flowers top small, divided, wedge-shaped leaves in spring and summer. An excellent choice for the rock garden, it is also a "Great Plant Pick" for the Pacific Northwest! (10" x 18") Zn5.

Geranium macrorrhizum 'Album'

Bigroot Geranium (Code: 5697)

Clusters of scented white flowers rise above spreading, deer resistant, evergreen foliage that grows to form a groundcover. 2009 "Great Plant Pick" for the Pacific Northwest! (15" x 20") Zn4.

Geranium macrorrhizum 'Variegatum'

Bigroot Geranium (Code: 4329)

Beautiful dusty gray-green, aromatic leaves are boldly splashed with cream, pale yellow and magenta. Vivid deep rose flowers are set off beautifully against foliage colors. Choice! 2009 "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn4.

Geranium x cantabrigiense 'Biokovo'

Cranesbill, Hardy Geranium (Code: 2700)

Glossy, deep green leaves are topped by blush-pink flowers in late spring. This semi-evergreen groundcover is a "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn4.

Geranium x cantabrigiense 'Karmina'

Hardy Geranium (Code: 6343)

Masses of raspberry-pink flowers blanket this low and spreading, semi-evergreen variety in late spring. Great for creating a groundcover in either full sun or part shade! A "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn3.

Geranium x riversleianum 'Mavis Simpson'

Cranesbill (Code: 5256)

Silky, silvery leaves and soft pink flowers weave nicely through adjacent plants. A "Great Plant Pick" for the Pacific Northwest! (8" x 24") Zn4.

Hakonechloa macro 'Albostriata'

Japanese Forest Grass (Code: 4540)

Creamy-yellow striped blades in spring fade to white in late summer. It forms a nicely-rounded mound. This vigorous grower is a "Great Plant Pick" for the Pacific Northwest! (18" x 30") Zn5.

Geranium endressii x psilostemon 'Patricia'

Hardy Geranium (Code: 4501)

Dark-eyed magenta flowers adorn this long-blooming and large-growing, hardy geranium. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 48") Zn5.

Geranium macrorrhizum 'Ingwerson's Variety'

Bigroot Hardy Geranium (Code: 5728)

Light pink flowers appear in late spring. Lush aromatic, spreading foliage will form a groundcover. This variety is drought and shade tolerant, making it a good evergreen choice for under trees. 2009 "Great Plant Pick" for the Pacific Northwest! (12" x 18") Zn3.

Geranium procurrens x lambertii 'Salome'

Hardy Geranium (Code: 4796)

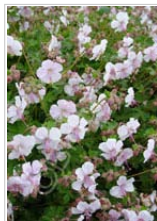

Bright purple flowers with dark purple veins weave through adjacent plants. Creeping mounds of faintly-marbled leaves are tinged with gold when new. A "Great Plant Pick" for the Pacific Northwest. (12" x 36-48") Zn6.

Geranium x cantabrigiense 'Cambridge Blue'

Cranesbill, Hardy Geranium (Code: 5949)

Single lavender-pink flowers top deep green, lobed leaves in late spring. This restrained and well-behaved cultivar makes a fantastic semi-evergreen groundcover when planted en masse. A "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn4.

Geranium x cantabrigiense 'St. Ola'

Hardy Geranium (Code: 4519)

Sparkling pure white flowers shine among fragrant semi-evergreen leaves in summer. A beautiful restrained selection perfect for the mixed border. Insect and disease resistant with good fall color. 2009 "Great Plant Pick" for the Pacific Northwest! (8-12" x 18") Zn4.

Hakonechloa macro

Japanese Forest Grass (Code: 4327)

Delicate bamboo-like foliage graces this slow-spreading, non-invasive grass. The foliage takes on a reddish-pink cast in fall, turning to bronze in winter. A "Great Plant Pick" for the Pacific Northwest! (12-24" x 16") Zn5.

Hakonechloa macro 'All Gold'

Japanese Forest Grass (Code: 5220)

Beautiful lime-green and bright gold blades form a delicate soft mound. A stunning grass that moves in the slightest breeze. It grows best in moderately moist soil and full sun. A "Great Plant Pick" for the Pacific Northwest! (10" x 24") Zn6.

Hakonechloa macra 'Aureola'

Japanese Forest Grass (Code: 6824)

Bold creamy-yellow leaves are striped with green. A charming grass for containers and excellent cascading over rocks, or next to paths. 2009 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (18" x 24") Zn5.

Helictotrichon sempervirens

Blue Oat Grass (Code: 2817)

This dumping grass forms nice, spiky blue-green mounds topped by narrow, tan flower plumes. Among the very best of the mid-sized blue-leaved grasses. A "Great Plant Pick" for the Pacific Northwest! (18" x 18") Zn3.

Helleborus argutifolius

Corsican Hellebore (Code: 2816)

Attractive apple-green flowers are held in large clusters above bold, holly-like evergreen leaves, late winter through spring. A "Great Plant Pick" for the Pacific Northwest! (30" x 30") Zn5.

Helleborus x hybridus 'Mardi Gras Pink'

Lenten Rose (Code: 3539)

'Exquisite nodding pink flowers shine above large, leathery, evergreen leaves. Provides color and substance to the winter garden. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras White'

Lenten Rose (Code: 3591)

Exquisite nodding white flowers shine above large leathery, evergreen leaves. Blooms appear in late winter to early spring. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus (orientalis)

Lenten Rose (Code: 5322)

Lovely single flowers range from deep plum to creamy-white and bloom late winter to early spring. With evergreen foliage, it's a "Great Plant Pick" for the Pacific Northwest! 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Hosta 'Sum & Substance'

Plantain Lily (Code: 6067)

Huge rounded, chartreuse-green leaves create an enormous mound. Very slug resistant as well as sun tolerant, it is a "Great Plant Pick" for the Pacific Northwest! (3-4' x 4') Zn3.

Helenium x hybrida 'Moerheim Beauty'

Helen's Flower (Code: 2780)

Beautiful flowers in velvety, coppery-red hues, glow in the mixed border. It adds beautiful color and interest to any garden. A "Great Plant Pick" for the Pacific Northwest! (3-4' x 3') Zn4.

Helictotrichon sempervirens 'Sapphire'

Blue Oat Grass (Code: 4324)

Intensely-blue evergreen blades form a spiky clump of foliage. Tan flower plumes appear in summer. Great as a specimen or mass planting. A "Great Plant Pick" for the Pacific Northwest. (2' x 2') Zn3.

Helleborus foetidus

Bear's Foot Hellebore (Code: 5303)

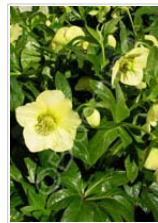

Large clusters of pale green, rose-edged flowers bloom January to April. Finely-divided, evergreen leaves are nice year round. A "Great Plant Pick" for the Pacific Northwest. (18" x 18") Zn5.

Helleborus x hybridus 'Mardi Gras Slate'

Lenten Rose (Code: 3583)

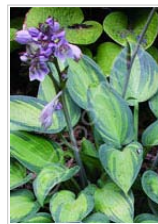

Exquisite dark blue-gray flowers shine above large leathery, evergreen leaves. Deep burgundy new growth. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras Yellow'

Lenten Rose (Code: 3593)

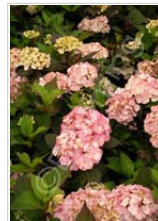

Exquisite, nodding yellow flowers in late winter shine above large leathery evergreen leaves. From Charles Price. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Hosta 'June'

Plantain Lily (Code: 7110)

Stunning golden leaves framed with wide blue-green margins, shine in the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 15") Zn3.

Hydrangea macrophylla var. serrata 'Preziosa'

Sawtooth Hydrangea (Code: 3357)

Numerous pink-blushed, snowball flowers age to shades of lilac and crimson. As the flowers deepen in color, so does the foliage! It prefers cool, moist soils. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 5') Zn6.

Hydrangea quercifolia 'Snow Queen'

Oakleaf Hydrangea (Code: 4769)

Bold, cone-shaped panicles of large sterile, white florets gradually deepen to russet-pink. This deciduous shrub has deep red-bronze fall color and cinnamon-hued winter stems. A "Great Plant Pick" for the Pacific Northwest. (7-10' x 7') Zn5.

Laurus nobilis

Bay Laurel (Code: 8020)

Aromatic evergreen leaves are excellent for flavoring savory dishes. Dense, pyramidal shrub slowly grows over 20' in mild climates but is easily kept smaller in containers. Fragrant, creamy-yellow flowers appear in early summer on female plants. A "Great Plant Pick" for the Pacific Northwest! (12-20' x 15') Zn7.

Leucanthemum x superbum 'Becky'

Shasta Daisy (Code: 6540)

Single white daisies flower from June to October when deadheaded. This sturdy and clean selection was the 2003 Perennial Plant Association Plant of the Year and it is also a "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn3.

Lonicera nitida 'Baggesen's Gold'

Box Honeysuckle (Code: 5002)

Brilliant golden foliage sparkles in the landscape. It responds well to shearing and is perfect as a small evergreen hedge or border plant. A "Great Plant Pick" for the Pacific Northwest! (6' x 4-6') Zn7.

Miscanthus sinensis 'Adagio'

Dwarf Japanese Silver Grass (Code: 6601)

This truly superior dwarf selection is topped by pink flowers that fade to white. Finely-textured, silver-gray blades lend an elegant touch to the landscape. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6.

Miscanthus sinensis 'Gold Bar'

Japanese Silver Grass (Code: 3277)

The leaf blades have dramatic horizontal gold banding that really glows in the sun. This dwarf form is perfect for smaller gardens or containers. A "Great Plant Pick" for the Pacific Northwest! (3-4' x 20") Zn5. PP15193 Propagation Prohibited.

Miscanthus sinensis 'Morning Light'

Japanese Silver Grass (Code: 3121)

Of great refinement and elegance, this grass has thin leaves with silver-variegated edges that shimmer when backlit. Inflorescences have a pink tinge at first, turning deep reddish-bronze later in fall. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn4.

Iris pallida 'Variegata'

Dalmatian Iris (Code: 2945)

Elegant lilac-blue flowers top sword-like leaves with strong white variegation. The flowers have a grape jelly fragrance! Very showy, trouble-free and easy to grow, it is a "Great Plant Pick" for the Pacific Northwest! (28" x 16") Zn5.

Leptinella squalida 'Platt's Black'

Brass Buttons (Code: 4562)

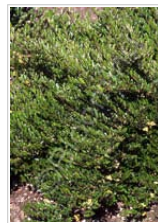

This groundcover features tiny, nearly-black, "ferny" leaves. Versatile and tough, it can be used between pavers, in the rockery or as a lawn substitute. A "Great Plant Pick" for the Pacific Northwest! (1" x 24") Zn5.

Leymus (Elymus) condensatus 'Canyon Prince'

Dune Grass (Code: 2692)

This medium-sized gray-blue grass has erect flower stalks that rise 1-2' above the foliage and are topped with spikes of wheat colored blooms. Drought tolerant and evergreen, it spreads by rhizomes, but is not invasive. (2-3' x 2-3') Zn7.

Lonicera pileata

Privet Honeysuckle (Code: 4696)

Horizontally-branched, semi-evergreen shrub for large scale underplanting or groundcover. Small creamy flowers are followed by clusters of translucent violet berries. A "Great Plant Pick" for the Pacific Northwest! (5' x 4') Zn5.

Miscanthus sinensis 'Cosmopolitan'

Japanese Silver Grass (Code: 6829)

Vivid variegation! The leaf blades have wide, dazzling white edges. Coppery plumes appear in fall. This outstanding border accent is a "Great Plant Pick" for the Pacific Northwest! (6-8' x 4-5') Zn6.

Miscanthus sinensis 'Gracillimus'

Japanese Silver Grass (Code: 5776)

This finely-textured, narrow-leaved grass forms erect clumps. Leaves turn orange in fall. Copper-colored flowers appear in late September, maturing to silver through winter. A "Great Plant Pick" for the Pacific Northwest! (6' x 3') Zn4.

Miscanthus sinensis 'Silberfeder'

Japanese Silver Grass (Code: 3120)

Large, showy white flower plumes tower above fountain-like foliage. Blooming fall through winter, it makes an excellent landscape accent. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 3') Zn5.

Molinia caerulea 'Moorflamme'

Purple Moor Grass (Code: 6994)

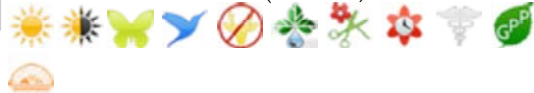

Airy clouds of dark flowerheads on fine 2' stems dance above a compact foliage clump. Very attractive rich purple fall colors. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn5.

Nepeta x faassenii 'Walkers Low'

Calmint (Code: 6362)

A profusion of violet-blue flowers top soft gray-green foliage repeatedly late spring through fall. An excellent plant to soften hot colors in the border. 2007 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (15" x 18") Zn5.

Panicum virgatum 'Rotstrahlbusch' (Red Ray Bush)

Switchgrass (Code: 5162)

Airy crimson flowerheads dance atop red-tipped blades. Creates an upright arching mass. Burnished-red fall color makes this an outstanding grass. A "Great Plant Pick" for the Pacific Northwest! (3' x 2') Zn4.

Parahebe catarractae

Parahebe (Code: 4319)

This wonderful compact perennial produces 18" spires of delicate, pale lavender to white flowers, summer through fall. It's excellent for low borders, rock gardens and containers. (18" x 24") Zn8.

Parahebe perfoliata

Digger's Speedwell (Code: 4034)

Lovely bluish-gray, evergreen foliage is accented by dainty spikes of small blue-violet flowers in spring and summer. Protect from cold, drying winds. A "Great Plant Pick" for the Pacific Northwest! (2' x 3') Zn7.

Pennisetum orientale 'Karley Rose'

Fountain Grass (Code: 4436)

Smokey, rose-purple flower plumes add incredible texture and color to the garden all summer long. Deep olive-green leaf blades form uniform clumps. A "Great Plant Pick" for the Pacific Northwest! (36-40" x 30") Zn5. PP12909 Propagation Prohibited.

Penstemon x hartwegii 'Blue Midnight'

Beard Tongue (Code: 3208)

Large deep blue-purple bells on long stalks bloom all summer and into early fall! It is long-lived when grown in a sunny, well-drained spot. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn7.

Molinia caerulea 'Variegata'

Purple Moor Grass (Code: 6110)

Dark green and cream leaves give off a golden glow, accented by ochre flower plumes in late summer. A compact grass and excellent for containers. A "Great Plant Pick" for the Pacific Northwest! (24" x 12") Zn5.

Ophiopogon planiscapus 'Ebony Knight'

Black Mondo Grass (Code: 4429)

Eye-catching, strap-like leaves of an almost black hue lend subtle sophistication to the perennial garden. Palest purple-white flowers appear in summer. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12") Zn6.

Panicum virgatum 'Shenandoah'

Switch Grass (Code: 4403)

This Panicum is unmatched for its burgundy-red foliage! The leaves start out green, then turn dark red by July, and eventually turn wine-colored by September. Airy red flower plumes appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn4.

Parahebe catarractae 'Snowcap'

Parahebe (Code: 3731)

Low-spreading sub-shrub has clouds of small white flowers with purple veins. It makes a great container plant. Native to New Zealand. A "Great Plant Pick" for the Pacific Northwest! (12-18" x 24") Zn7.

Parthenocissus henryana

Silvervein Creeper (Code: 6735)

Palmately-compound leaves with silver veins turn a brilliant red in fall. Insignificant green flowers in summer are followed by dark blue berries in fall. A "Great Plant Pick" for the Pacific Northwest! (12-20" x 8-12") Zn6.

Penstemon 'Blackbird'

Beard Tongue (Code: 6711)

Slender dark burgundy flowers bloom all summer on red stems. A real knockout for the sunny border. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 18") Zn7.

Perovskia atriplicifolia

Russian Sage (Code: 3250)

Smokey-blue flowers on stiff silver stems are lovely in flower arrangements. A stunning addition to the late season border. 1995 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (36-48" x 24-36") Zn5.

Perovskia atriplicifolia 'Little Spire'

Russian Sage (Code: 3267)

A shorter version of the award winning Russian Sage that remains upright with beautiful airy, blue-green foliage. Fragrant, delicate blue flowers appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 30") Zn5. PP11643 Propagation Prohibited.

Philadelphus 'Belle Etoile'

Mock Orange (Code: 6485)

This desirable, hard-to-find selection has 2" wide white flowers flushed maroon at their center. It's fabulously fragrant and compact! A "Great Plant Pick" for the Pacific Northwest! (6' x 5') Zn5.

Polygonatum odoratum 'Variegatum'

Variegated Solomon's Seal (Code: 3339)

Fragrant white flowers top arching stems of silver-edged leaves in spring. This woodland favorite has a nice creeping habit that is simply stunning when it forms a colony. A "Great Plant Pick" for the Pacific Northwest. (24" x 12") Zn4.

Primula japonica 'Miller's Crimson'

Japanese Primrose (Code: 3366)

Bright crimson-red flowers are arranged in whorls up tall, graceful stalks in spring making it a gorgeous selection for the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 12") Zn5.

Ribes sanguineum 'King Edward VII'

Flowering Currant (Code: 5422)

Stunning crimson blossoms in long, pendant clusters are followed by small, bluish-black berries. A "Great Plant Pick" for the Pacific Northwest. (6' x 6') Zn5.

Rosmarinus officinalis 'Blue Spires'

Rosemary (Code: 6902)

This essential culinary herb is also an excellent and undervalued landscape plant. It has an upright, branching habit with pretty blue flowers in early spring. With superior cold hardiness, it is a "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn7.

Rosmarinus officinalis 'Tuscan Blue'

Rosemary (Code: 8169)

This vigorous, hardy rosemary has thick, dark green foliage and bright violet-blue flowers in winter and spring. It's excellent for flavoring food! A "Great Plant Pick" for the Pacific Northwest! (2-3' x 3') Zn7.

Persicaria polymorpha

Giant Fleecflower (Code: 7021)

This bold and dramatic plant boasts large white Astilbe-like plumes on ruby stems 3-5' tall. It has a tidy, dumping habit. An excellent selection for the mixed border and bouquets. A "Great Plant Pick" for the Pacific Northwest! (3-5' x 3') Zn3.

Phlomis russeliana

Russel's Jerusalem Sage (Code: 3253)

Sage-green fuzzy leaves create a beautiful groundcover effect for much of the year. Successive whorls of soft yellow flowers are magnificent. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn5.

Polystichum munitum

Sword Fern (Code: 7422)

Dramatic, upright fronds reach up to 4' tall! This evergreen NW native fern is a fabulous shade garden accent. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 2-4') Zn5.

Pulmonaria longifolia ssp. cevenensis

Longleaf Lungwort (Code: 6329)

Wonderful clusters of brilliant blue spring flowers top exceptionally-long, narrow leaves heavily-blotched with sparkling silver. Rare and choice, it is a "Great Plant Pick" for the Pacific Northwest. (8-10" x 24") Zn4.

Rosmarinus officinalis 'Arp'

Rosemary (Code: 8159)

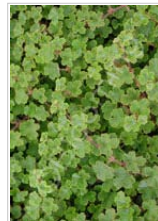

This culinary form has a strong upright and vigorous habit. The aromatic foliage has marvelous light blue flowers in early spring. Known for its superior cold hardiness and tolerance of wet conditions. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn7.

Rosmarinus officinalis 'Salem'

Rosemary (Code: 6281)

This essential culinary herb is also an excellent and undervalued evergreen shrub. It features neat, fine-needled, aromatic foliage. Blue flowers appear in early spring. A "Great Plant Pick" for the Pacific Northwest! (3-5' x 2-3') Zn8.

Rubus pentalobus 'Formosan Carpet'

Creeping Raspberry (Code: 5423)

This groundcover is ideal for covering large areas, to control erosion, or for trailing over walls. White flowers in summer are followed by golden berries in fall. Fast-spreading and low maintenance, it is a "Great Plant Pick" for the Pacific Northwest! (4-6' x 12") Zn7.

Rudbeckia fulgida 'Goldsturm'

Black-Eyed Susan (Code: 3399)

This popular low maintenance perennial has golden daisies with brown central cones from July to October. 1999 Perennial Plant Association Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! It's an excellent cut flower too! (30" x 24") Zn4.

Salvia verticillata 'Purple Rain'

Garden Sage (Code: 5857)

Fuzzy leaves provide a backdrop for arching, boysenberry-colored flowers in summer. A "Great Plant Pick" for the Pacific Northwest! (18" x 18") Zn4.

Sedum cauticola 'Bertram Anderson'

Stonecrop (Code: 6801)

Clusters of dusky pink, starry flowers top fabulous dark maroon foliage with gray-blue overtones. This stunning groundcover or rockery plant is a "Great Plant Pick" for the Pacific Northwest! (5" x 12") Zn5.

Sedum cyaneum

Stonecrop (Code: 3471)

Showy rose-hued flowers adorn strikingly-beautiful, succulent blue leaves in summer. A lovely, low-growing addition to any garden. It is a "Great Plant Pick" for the Pacific Northwest! (3" x 16") Zn6.

Sedum ewersii

Stonecrop (Code: 3474)

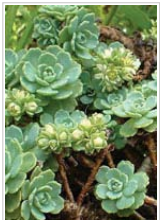

Pretty gray leaves with red margins are topped by pink flowers in late summer. An attractive accent for the sunny garden. A "Great Plant Pick" for the Pacific Northwest! (3" x 12") Zn6.

Sedum kamtschaticum 'Variegatum'

Kamtschatka Stonecrop (Code: 3475)

This low-growing and deciduous form has glowing green and cream-variegated leaves that are occasionally tinged pink. Golden-yellow flowers emerge from red buds in summer. A "Great Plant Pick" for the Pacific Northwest! (8" x 16") Zn4.

Sedum pachyclados

Stonecrop (Code: 3918)

Low-growing succulent with gray-blue, evergreen foliage and silvery-pink flowers in summer. A great plant for the rock garden or rock wall. 2009 "Great Plant Pick" for the Pacific Northwest! (1-3" x 6") Zn3.

Salix purpurea 'Nana'

Blue Willow (Code: 3400)

Dainty gray-green leaves gracefully cover this petite willow. Rich purple stems are striking in winter. It makes a great border specimen or an attractive hedge. A "Great Plant Pick" for the Pacific Northwest! (5-6' x 5') Zn3.

Scrophularia auriculata 'Variegata'

Variegated Figwort (Code: 5004)

Tall spikes of tiny wine-red flowers dance above bold green and creamy-white variegated foliage with a crinkly texture. It needs rich, moist soil. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn5.

Sedum cauticola 'Lidakense'

Stonecrop (Code: 5317)

Eye-catching small deep purple leaves adorn this compact succulent. Rosy-red flowers appear from late summer to fall. Perfect for the rockery, it is a "Great Plant Pick" for the Pacific Northwest! (4" x 12") Zn5.

Sedum ellacombianum

Stonecrop (Code: 4392)

Light green fleshy, succulent foliage grows vigorously to form a groundcover. Lemon-yellow flowers appear in June. A "Great Plant Pick" for the Pacific Northwest! (3-4" x 12-24") Zn3.

Sedum kamtschaticum 'Takahira Dake'

Kamtschatka Stonecrop (Code: 4435)

Vibrant green succulent leaves have scalloped edges. A strong bloomer, it is covered with bright yellow flowers in early summer. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12-18") Zn3.

Sedum kamtschaticum 'Weihenstephaner Gold'

Kamtschatka Stonecrop (Code: 3913)

This easy to grow, spreading groundcover with semi-evergreen succulent foliage has bright yellow flowers in June. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12-16") Zn3.

Sedum sieboldii 'October Daphne'

Stonecrop (Code: 3481)

Gray-green succulent leaves with red margins are topped by bright pink flowers in late summer. A stunning addition to the sunny garden. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12") Zn3.

Sedum spurium 'Dragon's Blood' ('Schorbuser Blut')
Two Row Stonecrop (Code: 4246)
 This vigorously-spreading groundcover has bronze foliage that turns deep red in cool weather. Red flowers appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (1-3" x 18-30") Zn3.

Sedum spurium 'Pink Jewel'
Stonecrop (Code: 3495)
 Neat, green succulent leaves form a spreading carpet and pretty pink flower clusters appear in summer. It makes a nice drought tolerant groundcover. A "Great Plant Pick" for the Pacific Northwest! (4" x 12-18") Zn4.

Sedum spurium 'Tricolor'
Two Row Stonecrop (Code: 3500)
 This incredible succulent has foliage that's variegated pink, white, gray and green. Jewel pink flowers appear in late summer. Beautiful! A "Great Plant Pick" for the Pacific Northwest! (3" x 12-18") Zn4.

Smilacina racemosa
False Solomon's Seal (Code: 5650)
 Clusters of white flowers at the ends of arching stalks distinguishes this plant from the "true" Solomon's seal. Red berries follow the flowers later in the season. It will spread to form a colony. A "Great Plant Pick" for the Pacific Northwest! (36" x 12") Zn3.

Spiraea thunbergii 'Ogon'
Spiraea (Code: 4074)
 Exquisite! An outstanding, golden-leaved cultivar with fine willow-like foliage and early spring white flowers. Bronze fall color. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn4.

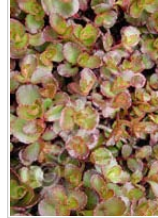

Tricyrtis formosana 'Samurai'
Speckled Toad Lily (Code: 4554)
 Clusters of starry purple flowers grace glossy green leaves with crisp white edges. An easy to grow and vigorous plant for dappled shade and moist soil. A "Great Plant Pick" for the Pacific Northwest! (16" x 24") Zn5.

Yucca filamentosa 'Bright Edge'
Adam's Needle (Code: 4328)
 Succulent green leaves have sunny-gold margins and form large, spiky, drought tolerant rosettes. Tall, dangling clusters of white blooms are dramatic and showy. A "Great Plant Pick" for the Pacific Northwest! (4' x 3') Zn4. PPAF Propagation Prohibited

Sedum spurium 'Fuldaglut'
Two Row Stonecrop (Code: 4288)
 This improved form of Sedum 'Dragon's Blood' has more consistent bronze-red foliage throughout the season. Rose-red, star-like flowers appear in summer. A Great Plant Pick for the Pacific Northwest! (1-3" x 12-24") Zn3.

Sedum spurium 'Purpurteppich' ('Purple Carpet')
Purple Carpet Two Row Stonecrop (Code: 3497)
 Succulent bronze-red foliage forms a dense evergreen mat. Dark rose flowers in summer add color and drama to this popular groundcover selection. A "Great Plant Pick" for the Pacific Northwest! (4" x 12-18") Zn3.

Sedum x hybrida 'John Creech'
Stonecrop (Code: 3916)
 This is one of the best Sedums for a groundcover! It forms a mat of foliage 2"-3" tall and spreads 12" or more. Pink flowers appear in June. A "Great Plant Pick" for the Pacific Northwest! (2-3" x 12-18") Zn3.

Spiraea japonica 'Magic Carpet'
Japanese Spiraea (Code: 5911)
 This marvelous dwarf shrub glows with spring foliage in shades of copper, coral and rose. Vivid pink flowers bloom periodically through summer. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn4. PP9363 Propagation Prohibited.

Stipa gigantea
Giant Feather Grass (Code: 3578)
 Numerous golden seeds dangle from tall stiff stalks, creating an "aura" when back-lit. Magnificent as a specimen grass or for cut flower arrangements. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 3-6') Zn6.

Veronica peduncularis 'Georgia Blue'
Speedwell (Code: 6082)
 This low-spreading, evergreen mound is smothered by round blue flowers with white eyes. This repeat bloomer is a "Great Plant Pick" for the Pacific Northwest! (6" x 18") Zn4.

Yucca filamentosa 'Color Guard'
Adam's Needle (Code: 3247)
 A brilliant gold stripe accentuates the center of each broad green leaf. At its best in late summer. Fragrant creamy-white flowers appear late spring above rose-blushed leaves. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn5.
