

Abelia grandiflora 'Kaleidoscope'

Abelia (Code: 6770)

The variegated leaves emerge yellow with light green centers. White tubular flowers bloom in fall. A stunning addition to any garden. Plant in full sun for best foliage color. (2-3' x 3-4') Zn6. PP16988 Propagation Prohibited.

Achillea 'King Edward'

Yarrow (Code: 2014)

Cream-hued flowers grace this lovely, tufting, evergreen rock garden plant. A wonderful choice for the dry garden site. Requires good drainage. (4-6" x 10") Zn5.

Achillea 'Walter Funcke'

Yarrow (Code: 7483)

Brick-red flowers gradually fade to numerous lighter shades of orange-red. Silvery, drought tolerant foliage is the perfect foil for the long blooming flowers. (24" x 24") Zn3.

Achillea millefolium 'Fireland'

Yarrow (Code: 6423)

Drought tolerant perennial featuring orange-red flowers with prominent golden centers. The flowers fade to salmon pink, then tawny gold, creating a fiery effect. (20" x 24") Zn3.

Achillea millefolium 'Oertel's Rose'

Yarrow (Code: 6795)

Bright orchid-pink blossoms slowly fade to nearly white. Hardy, drought tolerant and easy to grow. Showy all summer! (28" x 24") Zn3.

Achillea millefolium 'Salmon Beauty'

Yarrow (Code: 2024)

Large, flat clusters of tiny blooms open in hues of deep salmon which brighten to soft pink. This drought tolerant and easy to grow selection also makes a great cut flower! (24-30" x 18-30") Zn3.

Achillea millefolium 'Summerwine'

Yarrow (Code: 4871)

Stunning wine-red flowers glow over feathery green foliage in early summer. It's perfect for sunny locations. (24-28" x 24") Zn3.

Achillea 'Brass Buttons'

Yarrow (Code: 5338)

Fresh green, ferny foliage forms a low mat. Small cream-colored buds open to golden-yellow flowers in the spring. Although delicate-looking, it is tough and durable. (3" x 12") Zn4.

Achillea 'Moonshine'

Yarrow (Code: 2010)

Clusters of sulfur-yellow flowers top soft gray foliage most of the summer. This wonderful evergreen selection is a long time favorite with designers. (24" x 16") Zn4.

Achillea millefolium 'Appleblossom'

Yarrow (Code: 5113)

Bright lilac-pink flowers fade to pastel pink on this long-blooming and easy to grow garden favorite. It makes an excellent cut flower. (2' x 2') Zn3.

Achillea millefolium 'Lilac Beauty'

Yarrow (Code: 4565)

Lovely lilac pink flowers appear all summer. The flowers become lighter as they age, creating a multicolored effect that is very pleasing to the eye. It's perfect for the middle of the border. (18-24" x 18-24") Zn3.

Achillea millefolium 'Paprika'

Yarrow (Code: 2021)

Clusters of bright scarlet flowers with yellow centers fade beautifully to salmon-rose. Drought tolerant, easy to grow and good for bouquets. Long-blooming when deadheaded. (18-24" x 18-24") Zn3.

Achillea millefolium 'Sawa Sawa'

Yarrow (Code: 7444)

Rich, deep red flowers dazzle above thick mounds of fern-like foliage. Good for cut flowers, very drought tolerant. (20" x 18") Zn3.

Achillea millefolium 'Terra Cotta'

Yarrow (Code: 6146)

Masses of dark salmon flowers mature to russet hues; the color of red clay! The fine feathery foliage is evergreen, easy to grow, and drought tolerant. (24-30" x 24-30") Zn3.

Achillea ptarmica 'Angel's Breath'

Yarrow (Code: 2025)

Masses of 1/2" wide, pure white, double flowers appear in early summer and fade to ivory. The deep green, "ferny" foliage is extremely drought tolerant. (16" x 24") Zn4.

Agastache 'Blue Fortune'

Anise Hyssop (Code: 6204)

Long lasting, deep lilac-blue flower spikes top fragrant foliage. A "Great Plant Pick" for the Pacific Northwest! One of the hardiest and dependable Agastache. (30" x 24") Zn6.

Agastache 'Raspberry Summer'

Hyssop (Code: 6626)

Large, dark raspberry-pink flowers bloom all summer and into fall! Attractive, bright green foliage is nicely fragrant and drought tolerant. Requires good drainage. (30" x 20") Zn6. PP20371, PVR Propagation Prohibited.

Agastache 'Summer Sky'

Anise Hyssop (Code: 4586)

Glowing violet-blue flowers with dark calyxes bloom all summer above bright green foliage. With a compact habit, it always stays tidy and upright. Good drainage is needed for best performance. (14-16" x 16-20") Zn8. PPAF Propagation Prohibited.

Agastache aurantiaca 'Navajo Sunset'

Anise Hyssop (Code: 3257)

Citrus-scented foliage and bright orange-red tubular flowers bloom in summer. A hummingbird magnet. (12-18" x 12-18") Zn6.

Agastache barberi 'Tutti Frutti'

Anise Hyssop (Code: 6777)

One of the showiest varieties of agastache. Masses of deep pink flowers on tall stalks make a vivid backdrop. Has a wonderful fruity aroma! (36-48" x 18") Zn6.

Agastache mexicana 'Sangria'

Anise Hyssop (Code: 4051)

From July to October clusters of arching, red-purple blooms appear whorled around stems, one stacked on top of another. It grows up to 4' tall with lemon-scented foliage. A favorite of hummingbirds. (4' x 2-3') Zn7.

Achillea x kellereri

Yarrow (Code: 2027)

Attractive white flowers top ferny leaves with a silvery-green, woolly appearance. Wonderful as a groundcover or for the rockery. (8" x 18") Zn3.

Agastache 'Cotton Candy'

Hyssop (Code: 6625)

Light pink flower spikes bloom from midsummer to fall! Compact habit, drought tolerant and very attractive to hummingbirds. Requires good drainage. (18-24" x 18") Zn6. PP20991, PVR Propagation Prohibited.

Agastache 'Summer Glow'

Hyssop (Code: 6627)

Pale yellow flowers with dark calyxes bloom all summer. Has a narrow upright habit with bright green foliage that is drought tolerant. Requires good drainage. (18-24" x 18") Zn6. PP20980, PVR Propagation Prohibited.

Agastache aurantiaca 'Apricot Sunrise'

Anise Hyssop (Code: 2009)

Delicate spikes of orange sherbert-colored flowers top shrubby gray-green foliage. Excellent for attracting butterflies and hummingbirds, and perfect for the middle of the mixed border! (24-30" x 12-18") Zn6.

Agastache barberi 'Firebird'

Anise Hyssop (Code: 4730)

Rosy sunset-coral flowers dazzle summer to frost, above aromatic foliage. Hummingbirds adore this stunning plant. Excellent for cutting and requires good drainage. (30" x 18") Zn6.

Agastache foeniculum 'Golden Jubilee'

Anise Hyssop (Code: 2678)

New foliage emerges gold, then turns bright lime-green. Lavender-blue flowers make this a standout in the garden. Leaves release a mint scent when lightly crushed. (20" x 15") Zn5.

Agastache mexicana Acapulco 'Orange'

Anise Hyssop (Code: 3848)

Vibrant orange, tubular flowers add incredible color all summer to mixed containers and landscape plantings. A favorite of hummingbirds. (24-30" x 18") Zn7. PP16308 Propagation Prohibited.

Agastache mexicana Acapulco 'Salmon & Pink'

Anise Hyssop (Code: 3849)

Stunning multi-colored pink and salmon-hued flowers bloom all summer and are wonderful for landscape use and in mixed containers. A favorite of hummingbirds. (24-30" x 18") Zn7. PP16023 Propagation Prohibited.

Alcea 'Indian Springs'

Hollyhock (Code: 2061)

Various single and semi-double flowers in shades of yellow, carmine, pink, cream or burgundy line tall stalks. An outstanding color mix. (6-8' x 2') Zn3.

Alcea rosea 'Chater's Double Purple'

Hollyhock (Code: 2063)

Excellent old-fashioned garden favorite. Lovely purple-red, double flowers crown tall stalks. (6' x 2') Zn3.

Alcea rosea 'Chater's Double Salmon Pink'

Hollyhock (Code: 2055)

A great old-fashioned garden favorite! The tall green stalks gracefully hold beautiful double, salmon-pink flowers. (6' x 2') Zn3.

Alcea rosea 'Chater's Double Yellow'

Hollyhock (Code: 2058)

Beautiful double, sunny yellow flowers on tall sturdy stalks, grace this old-fashioned garden favorite. Excellent for cut flowers. (6' x 2') Zn3.

Allium schoenoprasum

Chives (Code: 8050)

A mild onion flavor makes this herb a favorite for topping baked potatoes and other savory dishes. Edible pale purple flowers appear in summer. (12-24" x 30-36") Zn3.

Allium tuberosum

Garlic Chives (Code: 8060)

A mild onion & garlic flavor enhances this herb's versatility. Flattened grassy foliage is topped with attractive edible white flowers. (18" x 12") Zn3.

Agastache rupestris

Anise Hyssop (Code: 7361)

Beautiful salmon orange flowers with lavender purple calyxes last from late summer until frost! Fine gray-green, licorice-scented foliage adds interest. It thrives in a hot spot with good drainage. (18-24" x 18") Zn5.

Alcea rosea 'Chater's Double Apricot'

Hollyhock (Code: 5234)

Beautiful, double, apricot-colored flowers on tall stalks grace this old-fashioned garden favorite. Excellent for cut flowers. (6" x 24") Zn3.

Alcea rosea 'Chater's Double Red'

Hollyhock (Code: 2056)

Beautiful double, bright red flowers on tall stalks grace this old-fashioned garden favorite. (6' x 2') Zn3.

Alcea rosea 'Chater's Double White'

Hollyhock (Code: 2057)

Beautiful double, sparkling-white flowers on tall stalks grace this old-fashioned garden favorite. (6' x 2') Zn3.

Alcea rosea 'Nigra'

Hollyhock (Code: 2052)

Beautiful single, black-purple blooms on tall stalks grace this old-fashioned garden favorite. Excellent for cut flowers. (6' x 2') Zn3.

Allium schoenoprasum 'Forescate'

Chives (Code: 4231)

This low-growing form has lovely blue-green blades and pretty ball-like clusters of rosy-pink flowers. Used both in the garden for ornamental flowers, and in the kitchen for flavoring food. Performs well in containers also. Deer resistant. (4-10" x 12") Zn3.

Alyssum montanum 'Luna'

Basket of Gold (Code: 4891)

Vibrant yellow flowers bloom from March to June. This beautiful rock garden plant is easy to grow in any sunny, well-drained location. (5" x 8-10") Zn3.

Anemone hupehensis 'Prince Henry'

Japanese Anemone (Code: 2089)

Charming semi-double, rose-red flowers on wiry stems adorn this old-fashioned garden favorite. It adds a bright touch of color to the fall garden. (24" x 18") Zn5.

Anemone x hybrida 'Alba'

Japanese Anemone (Code: 2094)

This pristine Japanese anemone boasts single, slightly cupped, white flowers atop tall, wiry-stemmed sprays. (3-5' x 2') Zn4.

Anemone x hybrida 'Honorine Jobert'

Japanese Anemone (Code: 5804)

Sparkling single white flowers dance atop very long stems in fall. A beautiful perennial, perfect for cutting, it adds a bright touch to the late-season garden. (4' x 3') Zn6.

Anemone x hybrida 'Lady Gilmore'

Japanese Anemone (Code: 7002)

An outstanding cultivar renowned for its large 4" semi-double, rosy-pink blossoms. This fall bloomer brings loads of color to the garden. (30-36" x 2-4") Zn5.

Anemone x hybrida 'Pamina'

Japanese Anemone (Code: 2088)

Deep rose-colored, semi-double flowers rise above elegant foliage in late summer and fall. Excellent for cut flowers and easy to grow. (24-36" x 24") Zn5.

Anethum graveolens

Dill (Code: 8330)

Aromatic leaves and seeds are used in pickles, vinegars, sauces, salads and seafood recipes. Large, flattened umbels of yellow flowers appear midsummer. Butterflies love it. Annual. (3-4' x 1') Zn10.

Aquilegia 'Biedermeier'

Columbine (Code: 2118)

Compact grower with spurred flowers in a bright mix of colors including carmine, lilac, blue, pink and cream. A great spring bloomer for front of the border or rock garden. (8-12" x 12") Zn4.

Anemone tomentosa 'Robustissima'

Grape Leaf Anemone (Code: 2097)

Soft-pink flowers 3" across bloom profusely on long stems in late summer and fall. This robust grower is the hardiest fall-blooming anemone. (3-4' x 3') Zn4.

Anemone x hybrida 'Bodnant Burgundy'

Japanese Anemone (Code: 7502)

Rose-burgundy flowers shine in late summer and fall. The individual blooms have numerous narrow petals surrounding a yellow center. (3-4' x 3') Zn5.

Anemone x hybrida 'Kriemhilde'

Japanese Anemone (Code: 5803)

Pink, semi-double flowers dazzle in the late season garden. It also makes a gorgeous cut flower bouquet and the foliage provides excellent fall color. (48" x 24") Zn5.

Anemone x hybrida 'Margarete'

Japanese Anemone (Code: 2087)

Deep purple-pink, double flowers have showy yellow stamens and bloom in fall. The stalks can reach 2-3' tall. (24-36" x 24-30") Zn5.

Anemone x hybrida 'Praecox'

Windflower (Code: 7335)

This early blooming, deep pink windflower produces masses of blossoms throughout fall. It prefers part shade and moist conditions, but can tolerate full sun if there is ample moisture. (3' x 3') Zn5.

Angelica pachycarpa

Glossy-Leaved Angelica (Code: 7351)

Glossy, deep green, compound leaves form a beautiful, rounded mound. Large flat umbels of creamy-white flowers appear in summer. Remove flowers before the seeds form, otherwise it may behave as a biennial. (3' x 3') Zn5.

Aquilegia 'Winky Purple-White'

Columbine (Code: 4715)

Short-spurred, upward facing, purple sepals with white petals appear in spring. It may rebloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Aquilegia alpina

Alpine Columbine (Code: 2128)

Sturdy deep azure-blue flowers grace this tight dignified plant. A wonderful, delicate accent for the border, rocky, or woodland. (18-24" x 20") Zn5.

Aquilegia chrysantha 'Yellow Queen'

Columbine (Code: 2129)

Masses of fragrant, long-spurred, sunny-yellow flowers adorn ferny foliage. This heavy bloomer is an excellent choice for dappled shade. It prefers well-drained soil. (2-3' x 2') Zn3.

Aquilegia skinnerii 'Tequila Sunrise'

Columbine (Code: 7447)

Orange and yellow, long-spurred blossoms make a wild and wonderful garden display late spring through summer. (18-28" x 12-18") Zn5.

Aquilegia vulgaris 'Clementine Dark Purple'

Columbine (Code: 4713)

Upward-facing dark purple, double, spurless flowers resemble dematis and blooms from late spring to early summer. Compact form. (12-18" x 12-18") Zn4.

Aquilegia vulgaris 'Clementine Salmon Rose'

Columbine (Code: 4061)

Compact form with double, spurless, salmon-rose flowers in late spring and early summer. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12-18") Zn3.

Aquilegia vulgaris 'Leprechaun Gold'

Columbine (Code: 3737)

Striking gold and green marbled foliage brightens the perennial border all season. Beautiful granny bonnet violet-purple flowers appear in spring. A "must have" for any garden. (24" x 18") Zn4.

Aquilegia vulgaris 'Ruby Port'

Columbine (Code: 5780)

Gorgeous, double, dark ruby-red flowers top long stems that are perfect for bouquets. A wonderful perennial accent for shaded woodland gardens. (36" x 18") Zn3.

Aquilegia vulgaris 'Winky Double Dark Blue-White'

Columbine (Code: 4892)

Double violet-blue flowers with white tips are short-spurred and upward facing. It blooms in spring and will repeat bloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Aquilegia canadensis 'Little Lanterns'

Columbine (Code: 4234)

This dwarf columbine has flowers with long bright red spurs and yellow corollas. Adored by hummingbirds, it is a native cultivar of the eastern U.S. (8" x 8") Zn3.

Aquilegia flabellata 'Blue Angel'

Columbine (Code: 6909)

Bright violet-blue flowers with sparkling-white centers grace this compact charmer. A wonderful early spring bloomer for containers or the rocky. (10" x 12") Zn3.

Aquilegia vulgaris 'Clementine Blue'

Columbine (Code: 4053)

This compact form has double, spurless, blue flowers in late spring. The divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12") Zn3.

Aquilegia vulgaris 'Clementine Red'

Columbine (Code: 4060)

Compact form with double, spurless, fuchsia-red flowers in late spring. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 15") Zn3.

Aquilegia vulgaris 'Clementine White'

Columbine (Code: 4064)

Compact form with double, spurless, white flowers in late spring and early summer. Divided blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12-18") Zn3.

Aquilegia vulgaris 'Nora Barlow'

Granny's Bonnets Columbine (Code: 5089)

Unique perennial with fully double flowers that resemble small Dahlias. Reddish-pink sepals with white and green margins make a charming display in late spring. (18-24" x 16-24") Zn3.

Aquilegia vulgaris 'Winky Blue-White'

Columbine (Code: 4714)

Flowers are short-spurred, upward facing, and have violet-blue sepals with white petals in spring. It may rebloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Arabis caucasica 'Pixie Cream'

Rock Cress (Code: 4067)

Creamy-yellow flowers with bright yellow eyes cover velvety gray-green foliage in spring. This rock garden plant prefers well-drained soil, and moderate temperatures. (3-4" x 12") Zn3.

Arabis caucasica 'Snowcap'

Rock Cress (Code: 2140)

This low-growing perennial is great for rock gardens or cascading over walls. Beautiful pure white flowers sparkle in spring. (4" x 12") Zn3.

Arabis caucasica 'Variegata'

Rock Cress (Code: 5356)

Striking emerald and cream, felted evergreen leaves are topped with pure white flowers in spring. The late season foliage is very attractive. A collector's plant. (8" x 24") Zn3.

Arabis ferdinandi-coburgi 'Old Gold'

Rock Cress (Code: 5720)

This vigorous low spreader has great evergreen leaves with wide chartreuse margins. White flowers appear in May. (4" x 18") Zn3.

Arabis x arendsii 'La Fraicheur'

Rock Cress (Code: 4069)

Rose-pink flowers cover gray-green foliage in April. This rock garden plant prefers well-drained soil and moderate temperatures. (3-4" x 12") Zn3.

Asclepias incarnata 'Cinderella'

Milkweed (Code: 4919)

Vanilla-scented, rosy-pink flowers bloom from late spring through summer. This easy to grow perennial is a magnet for butterflies. (3-4" x 30-36") Zn3.

Asclepias tuberosa 'Gay Butterflies'

Butterfly Weed (Code: 2176)

The bright yellow, orange and red flowers are a magnet for butterflies. This meadow wildflower requires somewhat dry, well-drained soil and a sunny location. (24" x 18-24") Zn4.

Aster dumosus (Symphyotrichum dumosus var. dumosus)

'Professor Anton Kippenburg'

Aster (Code: 2192)

Soft lavender-blue, semi-double flowers add color to the late summer garden. A butterfly favorite and nice for cut bouquets. (18" x 14") Zn3.

Aster dumosus (Symphyotrichum dumosus var. dumosus)

'Wood's Blue'

Wood's Aster (Code: 5905)

Profuse cool blue, starry daisies cover this compact and disease-resistant selection with dark green foliage. Excellent choice for late season color in the mixed border. (10-16" x 20") Zn3.

Aster dumosus (Symphyotrichum dumosus var. dumosus)

'Wood's Pink'

Wood's Aster (Code: 6284)

This compact Aster has dark green foliage with excellent resistance to mildew and rust. Beautiful pink flowers have yellow centers and bloom profusely in fall. (12-15" x 16") Zn3.

Aster dumosus (Symphyotrichum dumosus var. dumosus)

'Wood's Purple'

Wood's Aster (Code: 6927)

Profuse royal purple, starry daisies cover this compact and disease-resistant selection with dark green foliage. A superior selection for late season color in the mixed border. (10-16" x 18") Zn3.

Aster dumosus (Symphyotrichum dumosus var. dumosus) 'Alice Haslam'

Bushy Aster (Code: 2179)

Deep rose-hued, double flowers grace this cute and compact aster in late summer. Perfect for the front of the border, it prefers a sunny spot with moist soil. (10-16" x 20") Zn3.

Aster lateriflorus (Symphyotrichum lateriflorum var. lateriflorum) 'Prince'

Calico Aster (Code: 6384)

Tiny, rosy-eyed white daisies top dense deep purple foliage. An absolutely stunning combination! A "Great Plant Pick" for the Pacific Northwest. (2' x 2') Zn4.

Aster novae-angliae 'Alma Potschke'

New England Aster (Code: 2106)

This tall cultivar is excellent for the back of the border. Clusters of bright rose-pink flowers grace this garden gem, from August to October. Excellent for cut flower arrangements. (4' x 4') Zn4.

Aster novae-angliae 'Hella Lacy'

New England Aster (Code: 5374)

Lovely, deep violet-purple flowers grace this back of the border stunner. Flowers are held in clusters on tall stems, perfect for cutting. Great for late season color! (30-42" x 32-36") Zn4.

Aster novae-angliae (*Symphiotrichum novae-angliae*) 'Purple Dome'

New England Aster (Code: 5513)

This classic, compact cultivar is loaded with gorgeous, rich deep purple blossoms in fall. The blossoms make excellent long lasting cut flowers. (12-18" x 18-24") Zn4.

Aster oblongifolius (*Symphiotrichum oblongifolium*) 'Dream of Beauty'

Aster (Code: 4232)

A superb high plains native known for its vigorous, low-spreading habit and amazing fall display of fragrant light pink flowers with burnt orange centers. It spreads to form a dense carpet of flowers and grows in almost any type of soil. (12" x 24-30") Zn4.

Aster oblongifolius (*Symphiotrichum oblongifolium*) 'October Skies'

Aster (Code: 3901)

Blue daisy-like flowers appear mid-fall above strong-growing, low-mounding foliage. It is quite tough and adaptable, tolerating drought and poor soils. (15-18" x 18-24") Zn4.

Aster pringlei 'Monte Cassino'

Aster (Code: 2185)

Clouds of tiny white asters are borne in natural bouquets. Bright green, needle-like foliage adds visual interest. This drought-tolerant aster is also an excellent cut flower. (3' x 3') Zn4.

Aster tongolensis 'Napsbury'

East Indies Aster (Code: 5094)

Single, large deep violet blue flowers with bright orange centers top deep green rosettes of foliage in late spring. It will spread to form a small colony. (18" x 24") Zn4.

Aster x frikartii 'Monch'

Frikart's Aster (Code: 2205)

Lovely large, single, lavender-blue flowers bloom for an extraordinarily long time - from summer through fall. This "Great Plant Pick" for the Pacific Northwest makes an excellent cut flower too! (2' x 2') Zn5.

Aster x lateriflorus (*Symphiotrichum lateriflorum* var. *lateriflorum*) 'Coombe Fishacre'

Aster (Code: 5554)

This graceful fall bloomer has soft lilac daisies that develop nice rosy central buttons as they age. It's an excellent choice as a filler or weaver in the border. A cultivar of *A. lateriflorus*, it is extremely mildew resistant! (36" x 18") Zn5.

Astilbe 'Delft Lace'

False Spirea (Code: 7438)

The foliage is a deep blue-green with a unique silver overlay. It flowers in midsummer with clusters of deep salmon pink buds that open to a soft warm pink. (24-36" x 18-24") Zn3. pp19839

Astilbe chinensis 'Pumila'

False Spirea (Code: 2222)

This dwarf, spreading perennial has lavender-pink spikes from July to September. It will form a groundcover in moist shade. (8-12" x 18-24") Zn3.

Astilbe chinensis var. *taquetii* 'Purpurkerze'

False Spirea (Code: 2218)

Very vigorous, dean foliage is topped by long rosy-purple columnar panicles from June to July. It prefers full shade, but it can tolerate some sun if kept moist. (30-36" x 18-24") Zn3.

Astilbe simplicifolia 'Hennie Graafland'

False Spirea (Code: 5515)

Clear pink flowers top bronze-green leaves. The flower plumes are excellent for bouquets. Similar to *A. 'Sprite'*, the glossy foliage is very attractive even when not in flower. (12" x 18") Zn3.

Astilbe thunbergii 'Betsy Cuperus'

False Spirea (Code: 5265)

Fountain-like, arching, light pink panicles top fresh green foliage. This tall *Astilbe* is very effective as a focal point when grown in moist shade. (40" x 24") Zn3.

Astilbe thunbergii 'Ostrich Plume'

False Spirea (Code: 2213)

Gracefully-weeping, deep dusty rose plumes add an air of elegance for moist, shade. The pretty plumes make gorgeous cut flowers. (30" x 20") Zn3.

Astilbe thunbergii 'Professor Van der Wielen'

False Spirea (Code: 2265)

Large, arching white plumes top fresh green foliage in summer. The impressively large and elegant flowers illuminate the shade. The flowers are wonderful for bouquets too. (40" x 24") Zn3.

Aster x arendsii 'Amethyst'
False Spirea (Code: 2264)

Lavender-pink plumes top this shade-loving perennial in summer. It can tolerate some sun if it's in a moist location. (20" x 24") Zn3.

Aster x arendsii 'Bumalda'
False Spirea (Code: 2225)

Creamy-white flowers with a pink flush top pretty green foliage. Adds a note of elegance to the shade garden. (24" x 24") Zn3.

Aster x arendsii 'Fanal'
False Spirea (Code: 2212)

Deep pomegranate-red flower plumes grace this show-stopper from June to July. It's easy to grow with ample moisture. (2' x 2') Zn3.

Aster x arendsii 'Lilli Goos'
False Spirea (Code: 6210)

Dark pink plumes rise atop distinctive dark green foliage. Prefers a shady site, but can tolerate some sun if kept moist. (20" x 24") Zn3.

Aster x arendsii 'Snowdrift'
False Spirea (Code: 5825)

Clean white plumes adorn graceful green, glossy foliage. This compact plant is the whitest Aster available. (14" x 12") Zn3.

Aster x japonica 'Peach Blossom'
False Spirea (Code: 2224)

Airy soft peachy-pink, 2' plumes arch gracefully over handsome green foliage in late spring. One of the first Astilbes to bloom. (24" x 18") Zn3.

Aubrieta 'Dr. Mules Variegata'
Rock Cress (Code: 2107)

This wonderful perennial has violet-purple flowers in spring that brightly contrast creeping cream and green-variegated foliage. (4" x 12") Zn4.

Aubrieta x cultorum Large Flowered Mix
Rock Cress (Code: 2243)

Varying shades of purple, plum, and violet grace this early blooming rockery favorite. Cascades down walls and sunny hillsides beautifully. Shear after flowering to keep compact. (5" x 18") Zn4.

Aster x arendsii 'Bridal Veil'
False Spirea (Code: 5095)

Elegant, airy sprays of clear white flowers appear from late spring through early summer. The ferny foliage adds a touch of class to the shade garden. (24" x 18") Zn3.

Aster x arendsii 'Cattleya'
False Spirea (Code: 2210)

Tall and loosely-clustered, rose pink plumes glow above dark foliage. It can tolerate some sun if kept moist. (3-4' x 2') Zn3.

Aster x arendsii 'Hyacinth'
False Spirea (Code: 2228)

Fresh glossy green foliage holds graceful plumes of lilac colored flowers from June to July. If provided with rich, moist soil, it produces wonderful cut flowers. (24" x 30") Zn3.

Aster x arendsii 'Red Charm'
False Spirea (Code: 3931)

Growing 3-4' tall, it has graceful arching plumes of true red that appear in June. It is wonderful for making a big impact in the back of the shady border. (36-48" x 24-30") Zn3. Propagation prohibited.

Aster x japonica 'Avalanche'
False Spirea (Code: 2209)

Short, airy plumes of pristine white adorn this shade garden favorite. Elegant green foliage adds contrast for the flowers. Nice for cut flower arrangements. (18" x 18") Zn3.

Aster x japonica 'Rhineland'
False Spirea (Code: 2227)

Vivid pink plumes top lustrous foliage on this easy to grow charmer! It prefers moist, shady locations. The elegant flowers are excellent for bouquets. (24" x 24") Zn3.

Aubrieta x cultorum 'Rokey's Purple'
Rock Cress (Code: 2241)

A profusion of true purple blooms cover this low-growing perennial. A very long and repeat bloomer, it is ideal for the rockery or border's edge. (3-6" x 24") Zn3.

Aurinia saxatile 'Gold Ball'
Basket of Gold (Code: 2069)

Clouds of golden-yellow flowers shine in the garden in late spring. Perfect for cascading over walls or rock gardens. This improved selection is especially compact and full. (8" x 12") Zn4.

Baptisia 'Carolina Moonlight'
Wild Indigo (Code: 3946)

Striking blue-green foliage glows beneath stunning 18" spires of soft creamy-yellow in early summer. Long-blooming, it makes an elegant statement in the perennial border. (3-4' x 3-4') Zn4.

Baptisia 'Twilite Prairieblues'™
Wild Indigo (Code: 3947)

Handsome blue-green foliage is topped by tightly-packed 32" tall spires of deep violet and lemon-yellow blooms. Robust and vigorous. (3-4' x 4-5') Zn4. PP19011 Propagation Prohibited.

Bidens ferulifolia 'Namid'™ Compact Yellow'
Beggar's Tick (Code: 6705)

This award-winning Bidens has brilliant golden-yellow flowers that cover the plant all season. Unlike other Bidens it never gets rangy. It's great for mixed baskets and containers or as a bedding plant. (4-6" x 8-10") Zn9.

Boltonia asteroides var. latsiquama 'Jim Crockett'
Bolton's Aster (Code: 3241)

Medium to dark green foliage produces starry lavender flowers with yellow centers. Compact and very floriferous. (18-24" x 18-24") Zn4. PP16678 Propagation Prohibited.

Calibrachoa 'MBÃ® Brilliant Pink'
Million Bells, Mini Petunia (Code: 7783)

The original Million Bells and still the best seller! This compact, low grower has fine foliage and 1â€, trumpet-shaped brilliant pink blooms that open nonstop until hard frost without need of deadheading. A Hummingbird favorite! (12-15" x 15-20") Zn9.

Calibrachoa 'MBÃ® Neon Yellow'
Million Bells, Mini Petunia (Code: 7786)

The original Million Bells and still the best seller! This compact, low grower has fine foliage and 1â€, trumpet-shaped neon yellow blooms that open nonstop until hard frost without need of deadheading. A Hummingbird favorite! (8-10" x 10") Zn9.

Calibrachoa 'Mini Famous Dark Blue'
Mini-Petunia (Code: 7544)

Deep blue flowers appear spring through fall on a plant with a trailing habit. It's easy to grow in baskets, window boxes, mixed containers or even as a groundcover. (4" x 18-24") Zn9.

Baptisia 'Purple Smoke'
False Indigo (Code: 6388)

Smokey-violet flowers with purple eyes bloom in late spring on charcoal-hued stems. It grows to 4' tall, with gray-green foliage. A mature plant can bear over 50 blooming stalks! (4' x 3-4') Zn4.

Baptisia australis
False Indigo (Code: 2252)

Panicles of indigo-blue, sweet pea flowers top attractive blue-gray foliage. An outstanding long-lived perennial, it was the PPA Plant of the Year for 2010. (3' x 4') Zn4.

Boltonia asteroides 'Snowbank'
False Starwort (Code: 2272)

Tall, wiry stems are clothed in thousands of tiny white daisies. This sturdy, trouble-free plant reaches 4-5' in height, yet needs no staking! Wonderful for cut bouquets and adds a mass of color to the late-season garden. (4-5" x 30") Zn4.

Borago officinalis
Borage (Code: 8315)

Edible, bright blue, star-shaped flowers top coarse, fuzzy leaves. Flowers have a mild cucumber flavor. Add to salads or freeze in ice cubes for punches. A favorite of bees! (2' x 2') Zn10.

Calibrachoa 'MBÃ® Crackling Fire'
Million Bells Mini Petunia (Code: 7780)

The original Million Bells and still the best seller! This compact, low grower has fine foliage and 1â€, trumpet-shaped orange and yellow striped blooms that open nonstop until hard frost without need of deadheading. A Hummingbird favorite! (6-10" x 7-8") Zn9.

Calibrachoa 'MBÃ® Trailing Blue 09'
Million Bells, Mini Petunia (Code: 7784)

The original Million Bells and still the best seller! This compact, low grower has fine foliage and 1â€, trumpet-shaped deep blue blooms with yellow throats that open nonstop until hard frost without need of deadheading. A Hummingbird favorite! (1-3" x 24") Zn9.

Calibrachoa 'Mini Famous Double Amethyst'
Mini Petunia (Code: 7570)

Gorgeous, double amethyst-purple flowers bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa 'Mini Famous Double Orange'

Mini Petunia (Code: 7574)

Gorgeous double orange flowers bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa 'Mini Famous Pink'

Mini-Petunia (Code: 7585)

Gorgeous, pink flowers bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa 'MiniFamous Tangerine'

Mini-Petunia (Code: 6716)

Tangerine-orange flowers appear non-stop from May to October and resemble miniature petunias. The trailing habit is excellent for baskets, containers or as an annual groundcover. (4" x 18-24") Zn9.

Calibrachoa 'MiniFamous 1/2 Apricot Red Eye'

Mini-Petunia (Code: 6707)

This gorgeous nonstop bloomer has single apricot flowers with red centers. These vibrant flowers spread to form a heat tolerant annual groundcover or use it to cascade from hanging baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa 'Perfect Red'

Mini-Petunia (Code: 5211)

Deep red flowers bloom nonstop spring through fall! Trailing habit perfect for baskets, containers or groundcovers. Self-cleaning and easy to grow. (4-6" x 12") Zn9.

Calibrachoa Mini Famous™ 'Double Blush Pink'

Mini Petunia (Code: 7572)

Pretty double blush pink flowers bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa Mini Famous 1/2 'Double Lemon'

Mini-Petunia (Code: 7587)

Gorgeous, double lemon flowers bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Calibrachoa 'Mini Famous Perfect White'

Mini-Petunia (Code: 5212)

White flowers bloom nonstop spring through fall! The trailing habit is perfect for baskets, containers or as a groundcover. Flowers are self-cleaning and easy to grow. (4" x 18-24") Zn9.

Calibrachoa 'MiniFamous Purple'

Mini-Petunia (Code: 5012)

Nonstop, deep purple flowers bloom from spring through fall! Lovely trailing habit for baskets, containers and groundcovers. Flowers are self-cleaning and easy to grow. (4" x 18-24") Zn9.

Calibrachoa 'MiniFamous™ Double Pink'

Mini-Petunia (Code: 4523)

Luscious clear pink rosettes cover this fantastic new selection of Calibrachoa. It combines well with all colors and is a great choice for mixed containers and hanging baskets. A no maintenance beauty! (1-3" x 12-18") Zn9.

Calibrachoa 'MiniFamous 1/2 Lemon'

Mini-Petunia (Code: 6714)

Single, lemon-yellow flowers bloom nonstop from May to October and resemble miniature petunias. The trailing habit is excellent for baskets, containers or as an annual groundcover. (4" x 18-24") Zn9.

Calibrachoa MBÂ® Trailing Yellow

Million Bells, Mini Petunia (Code: 7782)

The original Million Bells and still the best seller! This compact, low grower has fine foliage and 1&C, trumpet-shaped multi-yellow blooms that open nonstop until hard frost without need of deadheading. A Hummingbird favorite! (1-3" x 48") Zn9.

Calibrachoa Mini Famous™ 'Pink Dark Eye'

Mini Petunia (Code: 7571)

Pretty pink flowers with a dark center bloom nonstop! This heat tolerant trailing form is perfect for spilling out of baskets & mixed containers. (4" x 18-24") Zn9.

Camassia quamash

Camas (Code: 6352)

Loose clusters of star-like, deep blue blossoms are carried on 1-2 ft. spikes from late spring through early summer. Grass-like basal leaves go dormant in summer after flowering. Native to NW marshes and moist meadows. (20-24" x 12-16") Zn4.

Campanula latiloba 'Highcliffe'
Bellflower (Code: 5501)

Tall stiff stems are thickly-lined with bright blue, saucer-shaped flowers which float over a low mound of green leaves. This showy and long blooming perennial is best in the middle of the border. (24" x 12-18") Zn4.

Caryopteris x clandonensis 'Blue Mist'
Bluebeard (Code: 2347)

Beautiful, compact, drought tolerant flowering shrub with a profusion of vivid smokey-blue flowers in late summer on small grayish-green foliage. (24" x 30") Zn5.

Caryopteris x clandonensis 'First Choice'
Bluebeard (Code: 4072)

Dense, dark green foliage contrasts beautifully with black buds which open to deep cobalt-blue flowers. This herbaceous shrub has a compact, upright habit. (2-3' x 2-3') Zn5. PP11958 Propagation Prohibited.

Caryopteris x clandonensis 'Summer Sorbet'
Bluebeard (Code: 3960)

Variegated shrub with blue-green leaves that have a distinct creamy-yellow edge. Bright blue flowers make a breathtaking contrast in late summer. (30-36" x 30-36") Zn5. PP15935 Propagation Prohibited.

Ceanothus 'Centennial'
California Lilac (Code: 6670)

This low-growing, spreading, evergreen shrub has dark blue flowers in spring. A native cultivar of the Pacific coast, it is tolerant of summer heat and drought. (8-12" x 72") Zn7.

Ceanothus 'Italian Skies'
California Lilac (Code: 3743)

This stunning evergreen shrub has a dense mounding habit with small dark green leaves. Luminous deep blue flowers cover the shrub in spring. Award of Merit, RHS 1984. (6-8' x 6-10') Zn7.

Ceanothus 'Julia Phelps'
California Lilac (Code: 2116)

This large, mounding, evergreen shrub puts on a spectacular display of indigo-blue flowers in spring. This drought tolerant and deer resistant shrub has remained popular for over 50 years. (5-8' x 6-9') Zn7.

Ceanothus gloriosus (Pt Reyes)
Point Reyes Ceanothus (Code: 7050)

Lavender-blue flower clusters in spring top shiny evergreen foliage on a nice low-spreading shrub. It makes an excellent groundcover when planted en masse. (2' x 4') Zn7.

Caryopteris incana 'Sunshine Blue'™

Bluebeard (Code: 3262)

Bright golden foliage is accented by stunning deep blue flowers, late summer through fall. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6. PPAF Propagation Prohibited.

Caryopteris x clandonensis 'Dark Knight'
Bluebeard (Code: 2349)

Compact and showy deciduous shrub with profuse clusters of the deepest blue flowers late in the season. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn5.

Caryopteris x clandonensis 'Inoveris' Grand Bleu™

Bluebeard (Code: 4079)

Deep blue flowers bloom profusely on top of glossy green foliage in late summer. This compact plant is a real butterfly magnet! (2-3' x 2-3') Zn5. PP17837 Propagation Prohibited.

Catananche caerulea
Cupid's Dart (Code: 2350)

Lavender to lilac-blue daisy-like flowers bloom for many weeks in summer above strap-like, hairy leaves. The flowers are displayed on long stems, perfect for either cut or dried flowers. (18" x 12") Zn5.

Ceanothus 'Dark Star'
California Lilac (Code: 6748)

A beautiful evergreen shrub with very nice, small and slightly cupped deep green leaves. Cobalt-blue flowers completely cover the foliage in late spring. (6' x 8-12') Zn7.

Ceanothus 'Joyce Coulter'
California Lilac (Code: 6745)

Sky-blue fragrant flowers, held in 3-5" spike-like clusters, cover this evergreen shrub in spring. With a low-growing, spreading habit, it makes a good groundcover or low hedge. (30-36' x 4-8') Zn7.

Ceanothus 'Victoria'
California Lilac (Code: 6712)

Masses of vivid dark blue flowers appear mid-spring. It grows into a lovely medium sized shrub with glossy evergreen leaves. Tough and trouble-free, it is a "Great Plant Pick" for the Pacific Northwest! (4-6' x 6') Zn7.

Ceanothus griseus var. horizontalis 'Diamond Heights'
California Lilac (Code: 6833)

Gorgeous lime-green foliage has dark pine-green detail down the spine of each leaf. Lovely bright blue flowers appear in spring. Great for mild coastal gardens, it prefers partial shade when grown in hot locations. (8-12" x 24-36") Zn8.

Ceanothus impressus 'Vandenberg'
California Lilac (Code: 6907)

Very small crinkled, deep green leaves set this unusual compact selection apart. Bright blue flowers appear in late spring. An unusual and choice evergreen shrub for the garden. (3-5' x 4-8') Zn7.

Ceanothus Tuxedo
California Lilac (Code: 7043)

The dark bronze-purple foliage is a real breakthrough in breeding! This distinctive evergreen shrub has an open, upright habit that responds well to pruning.

Lavender-blue flowers appear in abundance in late summer and fall. (6-8' x 6-8') Zn8. PPAF

Choisya arizonica 'Aztec Pearl'
Mexican Orange Blossom (Code: 6906)

Blush-hued buds open to fragrant white flowers in late spring. Glossy deep green leaves are finely cut. This is a knockout compact evergreen shrub! It prefers full sun in well-drained soil; protect from cold winds. (3-4' x 4') Zn7.

Convolvulus mauritanicus
Morning Glory (Code: 2425)

Soft lavender-blue flowers appear all season above gray-green foliage. This low growing, dump-forming perennial is excellent in hanging baskets, planters or the border edge. (6-12" x 24") Zn7.

Coreopsis 'Moonlight'

(Code: 6629)

Pastel yellow flowers bloom for 3 months and takes on peach-colored hues in cool weather. It thrives in heat and humidity and requires good drainage. (18-24" x 18-24") Zn6. PP20009 Propagation Prohibited.

Coreopsis Big Bang 'Redshift'
Coreopsis (Code: 6717)

A breakthrough in breeding, this truly cold hardy perennial has large cream colored flowers with deep red centers. Flower color shifts from red to cream with red centers as it ages. In fall the blooms are completely red. (24-36" x 24-36") Zn4. PP20412 Propagation Prohibited.

Cornus alba 'Elegantissima'
Tatarian Dogwood, Redtwig Dogwood (Code: 6474)

Reddish-purple winter stems and white-margined green leaves make this plant perfect for year-round interest in the garden. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 4-6') Zn4.

Ceanothus thyrsiflorus
Blueblossom, California Lilac (Code: 6866)

Clusters of dark blue flowers in spring atop this robust evergreen shrub with glossy leaves. Native to California and southern Oregon. (8-12' x 8-12') Zn7.

Ceanothus x pallidus 'Marie Simon'
California Lilac (Code: 3745)

Rose-pink flower buds open to 3-5" pink panicles, blooming for several weeks in summer. This deciduous, bushy shrub has showy, contrasting red stems. (5' x 5') Zn7.

Convolvulus cneorum
Silverbush (Code: 2423)

Glistening silver foliage forms a compact evergreen shrub displaying loads of 2" ivory flowers with yellow centers for many months. It performs best in gritty soils with sharp drainage. (18" x 18") Zn8.

Coreopsis 'Cranberry Ice'
Tickseed (Code: 7678)

Cranberry colored flowers have a white edge and bloom continuously all summer. Lovely, informal mounding habit, lends itself to containers or beds. Stays compact. (8-10" x 15-20") Zn6. PP19470 EU-derived var

Coreopsis 'Ruby Frost'
Tickseed (Code: 7394)

A color breakthrough! Stunning red blooms have a white edge and bloom all summer over rich green foliage. Easy to grow and a marvelous addition to the mixed border. (12-18" x 12-16") Zn6. PPAF, PVR Propagation Prohibited

Coreopsis tripteris 'Flower Tower'
Tall Coreopsis (Code: 7665)

This improvement on the native species sets hundreds of 2 1/2- to 3-inch daisies of bright yellow-gold. They appear in gigantic bouquets atop straight stems and tall, dense foliage, beginning in late summer and continuing through early fall. Finches love the seeds in winter! (6-10' x 3-5') Zn3.

Cornus sanguinea 'Midwinter Fire'
Bloodtwig Dogwood, Redtwig Dogwood (Code: 6972)

Unbelievable color for the winter landscape with stems in flickering shades of yellow, orange and red. It makes an impressive mass planting. Useful in cut and dried flower arrangements. (5-10' x 5') Zn4.

Cornus sericea 'Cardinal'

Redtwig Dogwood (Code: 4906)

The vibrant stem color changes from coral in fall to a deep cherry-red in winter. It is truly an outstanding and choice cultivar for the winter landscape. (8-10' x 6') Zn4.

Dahlia 'Dark Angel'® Dracula

Dahlia (Code: 7881)

Bright red blooms drip to a deep rose edge and then you are drawn to the dark center eye. Compact bronze-purple foliage with chocolate overtones completes the picture. Butterflies are drawn to this Dark Angel. (12-14" x 15-18") Zn9.

Dahlia 'Mystic'® Haze

Dahlia (Code: 7830)

Glossy mahogany-black foliage bursting with apricot to orange blooms that have soft yellow halos with a dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Delphinium elatum 'Guardian Lavender'

Larkspur (Code: 3793)

Lavender flowers edged in light blue make a stunning display in the garden or for flower arrangements. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium grandiflorum 'Blue Butterfly'

Chinese Delphinium (Code: 2470)

Bright cobalt-blue flowers appear repeatedly when spent flowers are removed. Compact and heat tolerant, it needs no staking and is fabulous for smaller bouquets! (12-18" x 18") Zn3.

Delphinium x belladonna 'Connecticut Yankee'

Delphinium (Code: 2479)

A mix of light blue, dark blue, and white-spurred flowers borne singly on branched stems. This cottage garden classic has an open, delicate habit and blooms later than other Delphiniums. (4' x 3') Zn4.

Dianthus 'Eastern Star'

Dianthus (Code: 4724)

Perpetual flowering single, solid red flowers top dwarf blue-green grass-like evergreen foliage. Ideal for front of the border or mixed containers. (4-8" x 10") Zn4. PP14437 Propagation Prohibited.

Cornus sericea 'Hedgerow's Gold'

Redosier Dogwood (Code: 6858)

Bright golden-yellow and green-variegated leaves contrast vividly against deep red stems. Eye-catching every season of the year. This Northwest native cultivar is a "Great Plant Pick" for the Pacific Northwest! (4-10' x 5') Zn4.

Dahlia 'Mystic'® Enchantment

Dahlia (Code: 7831)

Glossy mahogany-black foliage bursting with unique fire engine red blooms with an elegant dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Delphinium elatum 'Guardian Blue'

Larkspur (Code: 3791)

Spires of vivid dark blue flowers with white centers bloom on strong stems. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium elatum 'Guardian White'

Larkspur (Code: 3794)

Double, pure white flower spikes on strong stems make excellent cut flowers for arrangements. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium Pacific Giants 'Black Knight'

Larkspur (Code: 2468)

Tall spires have deep violet-purple, semi-double flowers with black eyes. Stately and elegant, this classic English perennial is well worth the effort! (5-6' x 2') Zn3.

Dianthus 'Devon Cottage'®, Miss Pinky

Pinks (Code: 7696)

Large, double salmon-pink blooms are delightful as cut flowers. The plant has a compact habit with grass-like blue-green leaves and blooms continuously throughout the summer when deadheaded. Wonderful as a border plant, in rock gardens, or for edging walks. (10-14" x 12-16") Zn4. PPAF Propagation Prohibited

Dianthus 'Fire Star'

Dianthus (Code: 4728)

Perpetual flowering single, solid red flowers top blue-green grass-like evergreen foliage. The flowers rebloom dependably in fall. Ideal for front of the border or mixed containers. (4-8" x 8-10") Zn4. PP14895 Propagation Prohibited.

Dianthus 'Neon Star'

Pinks (Code: 4957)

Hot neon-pink, single flowers bloom all season when spent flowers are removed. The compact habit is ideal for the front of the border. (7-12" x 12") Zn5. PP14549 Propagation Prohibited.

Dianthus 'Shooting Star'

Dianthus (Code: 4729)

Perpetual flowering single, soft purple flowers top blue-green grass-like evergreen foliage. Very floriferous spring bloom that is ideal for front of the border or in mixed containers. (4-8" x 8-10") Zn4. PP16431 Propagation Prohibited.

Dianthus caryophyllus 'Golden Sun'

Hardy Carnation (Code: 2342)

This large-flowered, clove-scented carnation boasts yellow blooms spring to summer. The long stems are good for cutting. A pretty addition to any cottage garden. (12-18" x 18") Zn4.

Dianthus caryophyllus 'Grenadin Pink'

Hardy Carnation (Code: 2338)

These large, double, pink carnations make wonderful bedding and border plants with their spicy-sweet-scented blooms, May through August. An excellent cut flower. (12-18" x 18") Zn4.

Dianthus caryophyllus 'White'

Hardy Carnation (Code: 2340)

These large white carnations are wonderful bedding and border plants, with their spicy-sweet, double blooms, May through August. Terrific cut flowers too. (12-18" x 18-24") Zn4.

Dianthus deltoides 'Flashing Light'

Maiden Pinks (Code: 2548)

This Dianthus features ruby-red flowers on wiry stems that appear in summer above a low-growing mat of bronze-green foliage. (6-8" x 12") Zn4.

Dianthus Devon Cottag 'Ruby's Tuesday' ('Valda Kitty')

Dianthus (Code: 6116)

Double, ruby-red flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13872 Propagation Prohibited.

Dianthus 'Raspberry Swirl'

Dianthus (Code: 4958)

Flowers look hand painted and bloom all season! White petals have a raspberry edge that fades to pink plus a raspberry central ring that fades at the center. (10-14" x 12-14") Zn5. PP14377 Propagation Prohibited.

Dianthus amurensis 'Siberian Blues'

Dianthus (Code: 4956)

Lavender-blue flowers arise in big clusters on tough, vigorous plants throughout the summer. The blue-green foliage is tolerant of heat and humidity, and stays neat and compact. (10-16" x 12-16") Zn3.

Dianthus caryophyllus 'Grenadin Cardinal Red'

Hardy Carnation (Code: 2339)

Large spicy-sweet, brilliant red, old-fashioned carnations all summer. Great in the perennial border and for cut flowers. (12-18" x 18") Zn4.

Dianthus caryophyllus 'King of the Blacks'

Hardy Carnation (Code: 2337)

This large-flowered, clove-scented carnation boasts exotic, reddish-black blooms spring to summer. Long stems are excellent for cutting. (12-18" x 18") Zn4.

Dianthus deltoides 'Brillianty'

Maiden Pinks (Code: 2549)

A profusion of charming, deep scarlet flowers with dark markings appear on wiry stems above a dense mat of foliage. A heavy bloomer! (10" x 18") Zn4.

Dianthus Devon Cottag 'Blushing Maiden' ('Valda Judith')

Dianthus (Code: 6043)

Double, blush-pink carnations, up to 2" across, bloom in spring and again in summer when cut back. The flowers have a spicy fragrance and make excellent cut flowers. The blue-green grass-like foliage stays neat and compact. (10-14" x 20") Zn5. PP13914 Propagation Prohibited.

Dianthus Devon Cottage 'Fancy Knickers' ('Valda Isolde')

Dianthus (Code: 6087)

Double white flowers with red flecks are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13915 Propagation Prohibited.

Dianthus Devon Cottage 'Rosy Cheeks' ('Valda Louise')
Dianthus (Code: 6091)
 Double rosy-pink flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP14045 Propagation Prohibited.

Dianthus gratianopolitanus 'Firewitch' ('Feuerhexe')
Cheddar Pinks (Code: 6341)
 Fragrant, hot-pink flowers appear in June over grassy, blue-green foliage that forms a marvelous low cushion. Great choice for the rock garden. 2006 Perennial Plant Association Plant of the Year. (6-8" x 12") Zn3.

Dianthus gratianopolitanus 'Spotty'
Cheddar Pinks (Code: 2561)
 Sweetly-fragrant, crimson petals with distinctive white blotches grace each flower. Low grassy-green foliage makes a great front of the border accent. (5-6" x 12") Zn3.

Dianthus plumarius 'Essex Witch'
Cottage Pink (Code: 2504)
 Bright pink, double blooms grace this spicy-scented cottage pink. Ideal for the front of the border or the rock garden. (7-12" x 12") Zn5.

Dianthus x gratianopolitanus 'Horatio'
Cheddar Pink (Code: 2524)
 Bright pink, fragrant flowers cover this marvelous little cheddar pink in late spring. It creates an eye-catching splash of color in a sunny garden. (6-8" x 12") Zn3.

Echinacea 'Hot Papaya'
Coneflower (Code: 7294)
 The blooms emerge with florescent, papaya-orange colored ray petals with a deep red-orange pompom. Each pompom has a remarkable papaya colored halo in the center that grows as it ages. (30-36" x 24-30") Zn4. PPAF Propagation prohibited.

Echinacea 'Pink Poodle'
Coneflower (Code: 7463)
 Completely different from all other Echinacea! The flowers look like zinnias or dahlias - except it's a hardy perennial! The giant 4" double blooms have strong stems, perfect for cut flower arrangements. Plants thrive in heat and humidity. A magnet for butterflies and hummingbirds too! (28-32" x 18-24") Zn4. PPAF Propagation Prohibited

Dianthus gratianopolitanus 'Bewitched'
Cheddar Pinks (Code: 3371)
 The fragrant flowers have fringed petals that are light pink with a rose-pink halo and white center. The flowers bloom from spring through summer above neat powder-blue mounds of grassy evergreen foliage. (8-12" x 18") Zn3. PP13159 Propagation Prohibited.

Dianthus gratianopolitanus 'Little Jock'
Cheddar Pink (Code: 2510)
 Charming, semi-double fringed pink flowers with a red eye appear in summer above dwarf, grassy mats. Highly recommended for rock gardens! (4-6" x 12-15") Zn3.

Dianthus gratianopolitanus 'Tiny Rubies'
Cheddar Pinks (Code: 2514)
 Tiny old-fashioned, double, jewel pink flowers bloom in profusion. Low grassy-green foliage makes a great front border accent plant. (2-6" x 10") Zn3.

Dianthus x allwoodii 'Frosty Fire'
Maiden Pinks (Code: 2515)
 This long-flowering brilliant red variety features attractive, low-growing blue-green foliage. The blooms appear in late spring. (4-10" x 18") Zn3.

Echinacea 'Hot Lava'
Coneflower (Code: 7451)
 Resembles a flaming pool of magma! Wide petals of deep orange-red turn to a deeper red at the base of the dark orange cone. Extra petals give the flowers a fuller look and the super-strong stems make it a natural for cut flowers. (32" x 24-32") Zn4. PPAF

Echinacea 'Hot Summer'
Coneflower (Code: 7302)
 Flowers open yellow and steadily turn to scarlet as they mature. The result is a harmony of fiery shades all on one plant, all at the same time! (30-36" x 24-30") Zn4. PPAF Propagation prohibited.

Echinacea 'Red Knee High'
Coneflower (Code: 7297)
 Brilliant fuchsia-red, daisy-like flowers are richly contrasted by coppery centers from July to September. With vigorous compact growth, blooms are just as plentiful as its parent, E. 'Kim's Knee High'. (24-30" x 18-24") Zn4. PPAF Propagation prohibited.

Echinacea 'Solar Flare'

Coneflower (Code: 7590)

The flowers burst forth with fiery orange-red petals that surround a dark cone. The fragrant blooms appear from mid to late summer. (30-36" x 24-30") Zn5. PPAF

Echinacea 'Tomato Soup'

Coneflower (Code: 6596)

Stunning warm tomato-red coneflowers up to 5" across! Plants are well branched, vigorous and bloom mid-summer until frost. (36" x 24-36") Zn4. PP19427 Propagation Prohibited.

Echinacea Big Sky™ 'Harvest Moon' (Matthew Saul)

Coneflower (Code: 3233)

The flowers have lovely golden mango-colored petals that radiate around warm orange centers and bloom from mid to late summer. This is another vigorous coneflower from the Big Sky™ series. (24-30' x 2') Zn4. PP17652 Propagation Prohibited.

Echinacea Big Sky™ 'Sunrise'

Coneflower (Code: 2048)

Fragrant, lemon-yellow, 5" blooms have orange central cones and arise in summer on sturdy, well-branched plants. It's just as hardy & stress tolerant as the common coneflower. One of the best from the Big Sky™ series. (30" x 30") Zn4. PP16235 Propagation Prohibited.

Echinacea purpurea 'Fatal Attraction'

Coneflower (Code: 3856)

Intense purple-pink coneflowers have nearly black central cones. Flowers top deepest black stems making a dramatic contrast to the bright green foliage. (24-28" x 18") Zn4. PP18429 Propagation Prohibited.

Echinacea purpurea 'Green Envy'

Coneflower (Code: 4002)

Unusual light green flower petals blend to light pink at their base, contrasting beautifully with the dark green cone. As the flowers age, they become more pink and the green central cone changes to burgundy. It's very compact with strong stems. Looks best in part shade. (20-30" x 18") Zn3. PPAF, PVR Propagation Prohibited.

Echinacea purpurea 'Magnus'

Coneflower (Code: 2600)

Large, bright rose-pink daisies have prominent orange cones. Excellent for cutting and a butterfly magnet! 1998 Perennial Plant Association Plant of the Year. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Echinacea 'Tangerine Dream'

Coneflower (Code: 7680)

Elegant clear tangerine-orange flowers have wide, overlapping petals. The flowers hold their color very well and have a lovely honey scent. The multi-branching strong stems are super for the landscape, whether used en masse or in a mixed planting. Great for cutting. (18-24" x 24-30") Zn4. PPAF

Echinacea Big Sky 'After Midnight' ('Emily Saul')

Coneflower (Code: 3665)

The flowers have deep magenta petals with black-red centers and appear on black stems above beautiful blue-green foliage. This compact coneflower is one of the Big Sky™ series. (12-18" x 10-16") Zn5. PP18768 Propagation Prohibited.

Echinacea Big Sky™ 'Sundown' ('Evan Saul')

Coneflower (Code: 3232)

Fragrant and beautiful orange flowers radiate from a bronze cone atop tall, sturdy stems. It blooms mid-summer. Another vigorous coneflower from the Big Sky™ series. (3-4' x 3') Zn4. PP17659 Propagation Prohibited.

Echinacea Big Sky™ 'Twilight'

Coneflower (Code: 2125)

The flowers have petals in a variety of rose shades surrounding a bronze-red central cone on sturdy, well-branched stems. Another marvelous introduction from the Big Sky™ Series. (24-26" x 18-24") Zn4. PP17651 Propagation Prohibited.

Echinacea purpurea 'Flame Thrower'

Coneflower (Code: 7430)

Flaming hot two-toned blooms of orange and yellow with a dark central cone light up the middle of the border! This Echinacea has a well-branched habit, is easy to grow, and will bloom all summer! (34-36" x 36-40") Zn4. PPAF, PVR Propagation Prohibited

Echinacea purpurea 'Kim's Knee High'

Coneflower (Code: 4434)

This compact coneflower has more flowers over a longer time than other Echinacea cultivars. Striking, clear pink, drooping petals with brilliant orange central cones appear repeatedly from mid to late summer. (18-24" x 18") Zn3. PP12242 Propagation Prohibited.

Echinacea purpurea 'Merlot'

Coneflower (Code: 4087)

Striking, nearly-black stems contrast magically with 5" rose-pink flowers with huge cones. This cultivar requires no staking. (34" x 30") Zn4. PP18814, PVR Propagation Prohibited.

Echinacea purpurea 'Pica Bella'

Coneflower (Code: 4088)

Thin pink petals are elegantly displayed with large copper-red cones sitting atop clear green foliage. Attracts butterflies and it's excellent for cut flowers! (24-36" x 24-36") Zn4.

Echinacea purpurea 'Razzmatazz'

Coneflower (Code: 3852)

A very unique double flower which looks like a pom-pom sitting atop matching petals in clear pink hues. Needs good light and space to promote strong stems. (30" x 18-24") Zn3. PP13894 Propagation Prohibited.

Echinacea purpurea 'Ruby Star' ('Rubinstern')

Coneflower (Code: 4478)

Brilliant flowers with intense carmine-red petals gracefully top sturdy stems. It makes an excellent cut flower, or leave aging seed heads in place for birds to enjoy! (2-3' x 2-3') Zn4.

Echinacea purpurea 'White Nathalie'

Coneflower (Code: 7472)

Short, thick green stems are topped by pure white flowers, with overlapping petals and orange-brown centers. A long bloomer, producing many flowering stems. (18-24" x 18-24") Zn4.

Echinacea Summer Sky™ (Katie Saul)

Coneflower (Code: 3669)

Large (5-6") fragrant, orange-colored flowers blend to rose around a central cone. Tallest of the Big Sky™ Echinacea, with strong stems that make it resistant to stormy weather. (36-42" x 18-24") Zn5. PP18783 Propagation Prohibited.

Erigeron glaucus 'Bountiful'

Beach Aster (Code: 4881)

This evergreen perennial has gray-green foliage and 3" wide lavender daisies with chartreuse centers that bloom spring to fall. Tolerates coastal conditions well. (6-10" x 12-16") Zn6.

Erigeron linearis

Fleabane (Code: 6673)

Bright yellow daisies bloom for a long time in spring. Ornamental thread-leaf foliage an added bonus. This NW native plant grows best in sunny, dry, well-drained sites. (12" x 12-16") Zn5.

Echinacea purpurea 'Pink Double Delight'

Coneflower (Code: 3969)

Unusual double form with vivid pink pompom centers surrounded by longer pink reflexed petals. Compact, it grows only 2' tall. (24" x 12-18") Zn4. PP18803, PVR Propagation Prohibited.

Echinacea purpurea 'Ruby Giant'

Coneflower (Code: 3930)

Bright rose-pink, fragrant 4-5" flowers have a double row of horizontal petals appearing in July. Plants have larger leaves, are multi-branched and grow vigorously. (4" x 18-24") Zn4.

Echinacea purpurea 'Tiki Torch'

Coneflower (Code: 4091)

Fiery pumpkin-orange, daisy-like flowers bloom in July. These 4.5" flowers have wide petals, a spicy fragrance and make excellent cut flowers. (3' x 2-3') Zn4. PP18839, PVR Propagation Prohibited.

Echinacea purpurea 'White Swan'

Coneflower (Code: 2599)

Large white flowers with chartreuse cones are wonderful for bouquets. A beautiful selection and perfect for the mixed border. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Erigeron glaucus

Beach Aster (Code: 2610)

Small, lavender-rose, fringed daisies shine over a compact, dark-green mound. This NW native thrives in coastal conditions! (6" x 12") Zn6.

Erigeron karvinskianus 'Profusion'

Santa Barbara Daisy (Code: 2612)

Small white daisies mature to pink and are borne in "profusion" on this charming, long-blooming perennial. (10" x 16") Zn7.

Erigeron speciosus 'Darkest of All'

Fleabane, Santa Barbara Daisy (Code: 2613)

Purple daisy-like flowers adorn this very desirable cultivar in early summer. A spectacular perennial and good for flower arrangements. (18" x 24") Zn4.

Eryngium amethystinum 'Sapphire Blue'

Sea Holly (Code: 5889)

Marvelous steely-blue flowers are larger and more colorful than other varieties. Performs best in sunny locations and tolerates most soil types. (28" x 18") Zn5. PP11088, COPF Propagation Prohibited.

Erysimum 'Fragrant Star'

Wallflower (Code: 7614)

Sweetly scented yellow blooms are complemented with leaves that have creamy-yellow margins. Being sterile, flowering may continue to October! Chocolate-purple flower buds make a dramatic contrast to the flowers and foliage. (18-24" x 18-24") Zn7. PPAF

Eucomis comosa 'Sparkling Burgundy'

Purple Pineapple Lily (Code: 4302)

An unusual perennial with strappy burgundy foliage. In late summer a miniature purple pineapple-shaped blossom emerges. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 24") Zn6.

Eupatorium dubium 'Little Joe'

Dwarf Joe Pye Weed (Code: 6928)

This compact form has beautiful mauve-purple flowers in late summer accented by large green leaves. Butterflies love E. 'Little Joe'! It prefers moist locations. (4' x 2-3') Zn3. PP16122 Propagation Prohibited.

Eupatorium purpureum subsp. maculatum 'Gateway'

Joe Pye Weed (Code: 4056)

Sturdy, upright black stems carry terminal heads of rich pink flowers late summer through fall. This tall, moisture loving perennial is best used as an architectural plant with color highlights in fall. A "Great Plant Pick" for the Pacific Northwest! (5-6' x 3') Zn4.

Euphorbia 'Jade Dragon'

Spurge (Code: 7442)

Bold olive green, mounding foliage is topped by glowing golden-yellow flowers. Blooms early spring through summer. Very striking! (3-4' x 3-4') Zn7.

Foeniculum vulgare 'Smokey'

Bronze Fennel (Code: 6519)

Dark bronzy-purple clouds of delicate foliage is topped by large flower umbels. Foliage, seeds and stems have a wide variety of culinary appeal. Attracts butterflies too! (5' x 3') Zn5.

Erysimum 'Apricot Twist'

Wallflower (Code: 5550)

This charming, fragrant wallflower has predominantly apricot blossoms with mauve overtones from early spring through May. The bright green foliage makes a nice contrast. (30" x 24") Zn6.

Eucomis comosa 'Oakhurst'

Purple Pineapple Lily (Code: 5928)

Brilliant burgundy tropical leaves and purple pineapple-like flowers make this an outstanding garden perennial. Good for cut flowers and has an attractive persistent seedhead. (32" x 20") Zn7.

Eupatorium dubium 'Baby Joe'

Joe-pye (Code: 7651)

This dwarf form of Joe-pye stays just 30" tall! Cabernet-colored flowers appear in late summer and are a magnet for butterflies. Prefer moist soils. (24-30" x 18-24") Zn4.

Eupatorium maculatum 'Atropurpureum'

Joe Pye Weed (Code: 2652)

Large clusters of tiny, rosy-purple flowers appear on towering stems in late summer. This butterfly favorite tolerates moist sites. (4-7' x 3') Zn5.

Eupatorium rugosum 'Chocolate'

White Snakeroot (Code: 6167)

Cocoa-brown leaves are topped by clusters of white flowers late July to September. A unique and exciting addition to the back of the border. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 3') Zn4.

Euphorbia sikkimensis

Spurge (Code: 6729)

Ruby-red rosettes of foliage turn green with age, topped by yellow-green flowers in midsummer. The leaves have white midribs. Although it spreads by runners, it is easily controlled. (3' x 3-4') Zn6.

Gaillardia 'Amber Wheels'

Blanket Flower (Code: 3658)

Large golden blooms have fringed petals and prominent amber-red centers. This long-lived variety has distinctive flowers that are attractive to butterflies! (24-36" x 18-24") Zn4.

Gaultheria shallon

Salal (Code: 6347)

Pacific Northwest evergreen groundcover or low spreading shrub that tolerates dry shade to full sun. Urn-shaped white flowers appear in spring and produce dark purple edible berries. Salal leaves are often used by florists. (18-30" x 24-36") Zn6.

Gaura lindheimeri 'Bijou Butterflies'

Wandflower (Code: 4117)

Green leaves have white edges and the new growth is a vivid deep pink. Rose-pink flowers bloom most of the season. It has a compact habit. (20-24" x 12-18") Zn6. PP15479 Propagation Prohibited.

Gaura lindheimeri 'Passionate Blush'

Indian Feather (Code: 3802)

Dark pink buds on pink stems open to pink flowers, and bloom most of the season. Burgundy new foliage matures to green. (18" x 20") Zn6. PP17293 Propagation Prohibited.

Gaura lindheimeri 'Siskiyou Pink'

Indian Feather (Code: 6377)

Deep maroon buds open to glowing pink flowers with white stamens in summer and fall. Foliage is rich maroon. Lends a diffuse, airy quality to the border or mixed container. (3-4' x 2') Zn5.

Gaura lindheimeri 'So White'

Indian Feather (Code: 4672)

Profuse, small white flowers bloom on 18" green stems summer to fall, creating an effect that is bright, light, clean and airy. The foliage is remarkably clean and free of common spotting. (2' x 2') Zn5.

Gaura lindheimeri 'Whirling Butterflies'

Indian Feather (Code: 5916)

A light, airy texture is created by a profusion of delicate white flowers that bloom in summer and dance in the wind on graceful, rosy-red, willow-leaved stems. Butterflies adore this plant! (3' x 2') Zn6.

Geranium 'Rozanne'

Cranesbill, Hardy Geranium (Code: 4673)

Showy, deep blue flowers with white eyes bloom profusely spring to frost! It has a mounding, slightly-weaving habit. 2008 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (20" x 24") Zn5. PP12175 Propagation Prohibited.

Gaura 'Pink Fountains'

Indian Feather (Code: 3742)

New growth emerges red, with good branching, staying nice and compact. It displays tons of soft pink flowers in summer. (24" x 18") Zn6. PP15555 Propagation Prohibited.

Gaura lindheimeri 'Crimson Butterflies'

Indian Feather (Code: 4670)

A delightful new cultivar featuring dark crimson foliage on a compact plant. Deep pink flowers dance brightly on red stems from summer to frost! Heat and drought tolerant. (18" x 24") Zn6. PP13189 Propagation Prohibited.

Gaura lindheimeri 'Pink Cloud'

Indian Feather (Code: 6395)

Profuse long bloomer with rich pink flowers and a more upright, less floppy habit. Glossy deep burgundy foliage. This stunning selection blooms summer to frost. (30" x 24") Zn6.

Gaura lindheimeri 'Siskiyou Pink' (Red Leaf Form)

Red Leaf Siskiyou Pink Indian Feather (Code: 4487)

Similar to G. 'Siskiyou Pink', but it has deeper maroon foliage in summer and is more compact. Dainty, deep pink flowers appear in summer and fall. (24-36" x 18-24") Zn5.

Gaura lindheimeri 'Sunny Butterflies'

Indian Feather (Code: 4671)

This lovely, compact, variegated cultivar is a sweet combination of light green and cream-edged leaves, with pink flowers on green stems. Great for containers or mid-border, it blooms summer to hard frost. (24" x 24") Zn6. PP14815 Propagation Prohibited.

Gentiana 'True Blue'

Gentian (Code: 7303)

Large 2" tubular blue flowers open at the nodes all up and down the stems, midsummer to early fall. The plant has smooth, green, lance-shaped leaves. Hummingbirds and butterflies love the flowers! (24-30" x 12-18") Zn4. PP20433 Propagation prohibited.

Geranium cinereum 'Lawrence Flatman'

Grayleaf Geranium (Code: 2694)

Magenta-veined, dark lavender flowers top small, divided, wedge-shaped leaves in spring and summer. An excellent choice for the rock garden, it is also a "Great Plant Pick" for the Pacific Northwest! (10" x 18") Zn5.

Geranium collinum 'Nimbus'

Cranesbill, Hardy Geranium (Code: 7020)

This very heavy bloomer has rich lavender-blue blossoms with pale centers. The dissected foliage is chartreuse when young and forms a nice dump. A sterile hybrid, it will not self-sow. (18-24" x 24") Zn3.

Geranium himalayense x pratense 'Johnson's Blue'

Hardy Geranium (Code: 2718)

Vivid blue flowers with darker veins bloom profusely in late spring and early summer above deeply-cut foliage. A popular selection for the mixed border. Cut back after blooming to encourage bushy growth. (16" x 24") Zn4.

Geranium renardii 'Tschelda'

Hardy Geranium (Code: 3434)

Velvety gray-green, lobed leaves set off lilac-blue flowers with purple veins. It grows in a low compact mound that provides textural interest along pathways, the front of the border or containers. (10" x 15") Zn4.

Geranium sanguineum 'Tiny Monster'

Bloody Cranesbill (Code: 3935)

Masses of 1" lavender flowers appear late spring through summer, above attractive cutleaf foliage. Grows only 15-18" tall and spreads to form an eye-catching groundcover. (12" x 18") Zn3. Propagation prohibited.

Geranium wallichianum 'Pink Penny'

Cranesbill, Hardy Geranium (Code: 4794)

This exceptional geranium has rose-pink flowers with dark purple veins that bloom repeatedly from June until frost! It has a lax, somewhat spreading habit. (12-15" x 15-24") Zn5. PP17656 Propagation Prohibited.

Geranium x 'Jolly Bee'

Cranesbill, Hardy Geranium (Code: 3970)

2-3" violet-blue flowers have white eyes and bloom continuously from June through October! It grows vigorously to form a lax mound with good fall color. It is very similar in appearance to G. 'Rozanne'. (18-24" x 18-24") Zn5. PP12148 Propagation Prohibited.

Geranium x cantabrigiense 'Cambridge Blue'

Cranesbill, Hardy Geranium (Code: 5949)

Single lavender-pink flowers top deep green, lobed leaves in late spring. This restrained and well-behaved cultivar makes a fantastic semi-evergreen groundcover when planted en masse. A "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn4.

Geranium endressii x psilostemon 'Patricia'

Hardy Geranium (Code: 4501)

Dark-eyed magenta flowers adorn this long-blooming and large-growing, hardy geranium. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 48") Zn5.

Geranium pratense 'Midnight Reiter'

Meadow Cranesbill (Code: 3616)

Chocolate-purple foliage beautifully shows off contrasting lilac flowers. This semi-dwarf variety is great for containers. It performs best in moderate temperatures. (6-9" x 12") Zn5. PPAF

Geranium sanguineum 'Elke'

Cranesbill (Code: 4974)

Silver dollar-sized flowers of fluorescent pink with a white eye bloom from May until fall. It can tolerate a wide range of conditions. (10" x 18-24") Zn4.

Geranium sanguineum x procurrens 'Dilys'

Bloody Cranesbill (Code: 4823)

Soft magenta-purple flowers first appear in June and blooms sporadically until frost. Forms a large sprawling plant with good fall color. Performs best in moist soil. (3-9" x 36") Zn4.

Geranium wallichianum 'Sweet Heidi'

Cranesbill (Code: 4975)

This very vigorous, adaptable perennial blooms profusely and steadily from spring into fall! Pink flowers with white centers and blue veins appear above semi-trailing foliage. Truly a breeding breakthrough! (12-18" x 18-24") Zn4. PP19533 Propagation Prohibited.

Geranium x cantabrigiense 'Biokovo'

Cranesbill, Hardy Geranium (Code: 2700)

Glossy, deep green leaves are topped by blush-pink flowers in late spring. This semi-evergreen groundcover is a "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn4.

Geranium x cantabrigiense 'Karmina'

Hardy Geranium (Code: 6343)

Masses of raspberry-pink flowers blanket this low and spreading, semi-evergreen variety in late spring. Great for creating a groundcover in either full sun or part shade! A "Great Plant Pick" for the Pacific Northwest! (8" x 18") Zn3.

Geranium x cantabrigiense 'St. Ola'

Hardy Geranium (Code: 4519)

Sparkling pure white flowers shine among fragrant semi-evergreen leaves in summer. A beautiful restrained selection perfect for the mixed border. Insect and disease resistant with good fall color. 2009 "Great Plant Pick" for the Pacific Northwest! (8-12" x 18") Zn4.

Geranium x oxonianum 'Tanya Rendall'

Cranesbill (Code: 4972)

A profusion of small bright pink flowers bloom from May to October above shiny chocolate colored foliage! This low growing, hardy, reliable and adaptable perennial is sure to be popular. (6-12" x 12-18") Zn5. PP17950 Propagation Prohibited.

Geum coccineum 'Eos'

Avens (Code: 4972)

Fiery orange-red flowers bloom above unique, large golden foliage. It has a spreading habit and commands attention even when not in bloom. (14" x 12-18") Zn5. Propagation prohibited.

Geum x 'Sangria'

Grecian Rose (Code: 4856)

Semi-double, intensely red flowers bloom from spring through summer. A great addition for the front of the border. (12-18" x 12-18") Zn5.

Gypsophila cerastioides

Creeping Baby's Breath (Code: 2740)

Profuse, white, single flowers with violet veins, bloom on low-spreading foliage in spring. An excellent choice for rockery or edging. (2-3" x 24") Zn5.

Gypsophila paniculata 'Viette's Dwarf'

Baby's Breath (Code: 2741)

Sprays of dainty double pink flowers fade to white. It will repeat bloom when spent flowers are cut back. The compact form is a plus. (12-18" x 12-18") Zn3.

Hebe 'Josephine'

Hebe (Code: 3695)

Dark green, glossy, spear-shaped foliage produces spikes of bright pink flowers spring through summer. Evergreen with an upright habit, it is excellent in borders and containers. (4' x 4') Zn7.

Geranium x magnificum

Cranesbill, Hardy Geranium (Code: 2704)

Large, bright violet-purple flowers with dark veins appear in June on a large, dense, bushy plant. Truly magnificent when in bloom! (24" x 24") Zn3.

Geum 'Queen of Orange'

Avens, Grecian Rose (Code: 4799)

An improved form that is more floriferous and earlier blooming than the species. In spring, this evergreen perennial is covered with orange flowers for over a month. (12-15" x 12-16") Zn5.

Geum flore pleno 'Blazing Sunset'

Grecian Rose (Code: 4978)

Double scarlet flowers that look like small roses, bloom from May to September. Moderate in size and easy to grow. (24" x 18") Zn5.

Geum x coccineum 'Borisii'

Avens, Grecian Rose (Code: 2731)

This petite rockery gem produces many brilliant orange flowers mid-to-late spring. The low-spreading, evergreen foliage adds year-round interest. (8" x 10") Zn5.

Gypsophila paniculata 'Bristol Fairy'

Creeping Baby's Breath (Code: 2735)

Airy sprays of large, white, double blossoms adorn this florist favorite in summer. Excellent for fresh bouquets and it dries beautifully too! (3' x 3') Zn4.

Gypsophila repens 'Rosea'

Pink Creeping Baby's Breath (Code: 2745)

Clouds of pink flowers on prostrate gray-green foliage have stems that are often tinted red. A great choice for the rockery. (4-6" x 18-24") Zn3.

Hebe 'Spender's Seedling'

Hebe (Code: 3899)

One of the most reliable, hardy and long flowering Hebe's available! Will form a large evergreen shrub with white-spiked flowers that bloom summer to fall. (4-5' x 4-5') Zn7.

Helianthus 'Lemon Queen'

Sunflower (Code: 6713)

Clear lemon-yellow, single blooms adorn this lovely perennial sunflower. It adds interest to the back of the border late in the season. Great for bouquets. (5-7" x 3") Zn4.

Helianthus x multiflorus 'Flore Pleno'

Sunflower (Code: 2784)

Countless 3-4" golden-yellow, double sunflowers bloom late summer to frost. It's great for cutting or planting in the butterfly garden. (5-6' x 3") Zn4.

Heliotropium 'Fragrant Delight'

Heliotrope (Code: 2358)

Everblooming clusters of deep purple flowers have a delicious vanilla fragrance! Protect from hot afternoon sun and overwatering. A cottage garden favorite! (12-15" x 24") Zn10.

Hesperis matronalis

Dame's Rocket (Code: 2844)

Tall, loose flowers of lavender, purple, or white, bloom from May to June and give off an intoxicating evening fragrance. The long stems are excellent for bouquets. Biennial, but naturalizes. (36" x 16") Zn5.

Heuchera 'Blackberry Crisp'

Coral Bells (Code: 7654)

The ruffled purple foliage has distinctly crinkled and crisped margins. It has a tight mounding habit with leaves that change from deep burgundy in the spring to deep purple-black in summer. Short white flowers in spring add to this appealing gem. (8-15" x 12-16") Zn4. PPAF, PVR

Heuchera 'Lipstick'

(Code: 7454)

Silver-veiled green leaves give rise to bright lipstick-red flowers. Many Heucheras feature foliage color, but the re-blooming flowers are the main attraction of this cultivar. An excellent choice for naturalistic landscapes. (7-15" x 10-12") Zn4. PPAF, PVR

Heuchera villosa 'Southern Comfort'

Coral Bells (Code: 6631)

Huge evergreen cinnamon-peach leaves change to burnished copper, then amber as the season progresses. Creamy white flowers appear in late summer. Tolerates heat and humidity. (15-20" x 24") Zn4. PPAF Propagation Prohibited.

Helianthus angustifolius 'Gold Lace'

Sunflower (Code: 4400)

The tall, thin, lacy foliage creates an airy appearance. 3-4" golden sunflowers appear like a fountain of color late in the season. It makes a magnificent cut flower! (5-6' x 3") Zn6.

Heliopsis 'Tuscan Sun'

(Code: 7575)

NEW! The large single golden yellow daisies appear in mid-summer and are invaluable for brightening the summer garden. A rugged and exceedingly cold hardy plant, $\frac{1}{2}$ Tuscan Sun $\frac{1}{2}$ is the most compact Heliopsis available. (12-18" x 18-24") Zn3.

Hemerocallis 'Rosy Returns'

Daylily (Code: 3974)

This daylily blooms continuously all season! Large rose-pink flowers have deep rose eyezones and bright-yellow throats. Vigorous and easy to grow! (15-18" x 18") Zn3. PP9779 Propagation Prohibited.

Heuchera 'Amethyst Myst'

Coral Bells (Code: 6408)

Rich burgundy, evergreen leaves have deep green veins and silver overlay. A truly stunning Coral Bell! (26" x 17") Zn4.

Heuchera 'Ginger Ale'

Coral Bells (Code: 4261)

Light amber veins highlight silvery evergreen foliage with creamy-pink flowers appearing in June. A lovely contrast with darker Heucheras. (12" x 12-16") Zn4. PP18173, EU23085 Propagation Prohibited.

Heuchera 'Regina'

Coral Bells (Code: 5563)

Airy sprays of tiny pink bells rise on 24" tall stems above a compact mound of evergreen burgundy-bronze leaves overlaid with silver. (12-24" x 12-18") Zn3.

Heucherella 'Brass Lanterns'

Foamy Bells (Code: 7675)

The maple-shaped leaves are a beacon of brassy gold and red in spring. In summer the leaves are reddish-brown. In winter the evergreen leaves turn olive and brown. The best color contrast occurs with some shade. Spikes of white flowers on dark stems appear in spring. (24-28" x 24-28") Zn4. PPAF, PVR

Heucherella 'Tapestry'

Foamy Bells (Code: 4588)

Blue-green, evergreen foliage changes to green with dark centers and dark veins in fall and winter. Warm pink foamy bells bloom profusely in spring. (8-16" x 18-24") Zn4. PPAF Propagation Prohibited.

Hyssopus officinalis 'Dwarf Blue'

Blue Hyssop (Code: 8065)

This perennial sub-shrub features dark green leaves topped by marine-blue flower spikes. It attracts bees and makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Kniphofia uvaria 'Border Ballet'

Red Hot Poker, Torchlily (Code: 3736)

Classic tall spikes in an assortment of colors such as cream, yellow, orange, red or pink. The flowers appear in summer above gray-green, sword-like foliage. (24" x 24") Zn5.

Lantana camara 'Anne Marie'

Lantana (Code: 4628)

This compact form has a dense bushy habit and a profusion of multi-colored flowers all season. The flowers start yellow, then change to orange-pink, then change to fuchsia-red. All different colors usually appear at the same time. A favorite of butterflies and hummingbirds. (12-15" x 24") Zn9. PP11310 Propagation Prohibited.

Lantana camara 'Florida Orange Mound'

Lantana (Code: 4629)

Flowers are entirely orange and bloom all season on a low mounding sub-shrub. A magnet for butterflies and hummingbirds. (12-15" x 18-24") Zn9.

Lantana camara 'Pink Caprice'

Lantana (Code: 5238)

Pink and yellow bicolor flower clusters adorn fresh, green foliage. It has a soft, upright habit and blooms for a very long time. (18-24" x 24-36") Zn9.

Lavandula angustifolia 'Bowles'

English Lavender (Code: 8072)

Spikes of lavender flowers and aromatic gray-green foliage makes this herb a standout in the garden. Maintains a tidy rounded habit. (18" x 16") Zn5.

Holodiscus discolor

Oceanspray (Code: 4433)

This Northwest native deciduous shrub has slender arching branches and fuzzy green leaves. Creamy flowers bloom in drooping panicles 8" long from early to mid-summer. (8-10' x 4-8') Zn5.

Hyssopus officinalis 'Roseus'

Rose Hyssop (Code: 8064)

This perennial sub-shrub features dark green leaves topped by soft pink flower spikes. Attractive to bees, it makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Lantana 'Spreading Sunset'

Lantana (Code: 5223)

Striking clusters of pink, orange and yellow flowers resemble a summer sunset. Excellent for use in flower beds or trailing from hanging baskets and containers. Extremely heat tolerant. (12" x 24") Zn9.

Lantana camara 'Dallas Red'

Lantana (Code: 5226)

Clusters of sultry, deep red blooms are accented with orange and yellow. Excellent for use in flower beds or trailing from hanging baskets and containers. Fragrant and heat tolerant. (18-24" x 24-36") Zn9.

Lantana camara 'Florida Red Mound'

Lantana (Code: 4630)

Flowers are entirely orange-red and bloom profusely all season. It forms a low mounding sub-shrub that is a favorite of butterflies and hummingbirds. (12-15" x 24") Zn9. PP17106 Propagation Prohibited.

Lavandula angustifolia 'Betty Blue'

English Lavender (Code: 4683)

This English Lavender cultivar is excellent for fresh cut flowers or for drying. The deep blue-violet flowers have a dark purple calyx with a violet corolla. The flowers are somewhat taller than the species. (2-3' x 2') Zn5.

Lavandula angustifolia 'Buena Vista'

English Lavender (Code: 3102)

Showy deep lavender flowers shine on this sweetly-fragrant strain. It may bloom twice each season if cut back. Excellent for dry flowers too! (2' x 2') Zn5.

Lavandula angustifolia 'Hidcote Pink'

English Lavender (Code: 4312)

A wonderful compact grower, just like the popular L. 'Hidcote', but with pink flower spikes. Good for mid-border or near walkways, it performs best in full sun. (18" x 18") Zn5.

Lavandula angustifolia 'Hidcote'

English Lavender (Code: 8075)

This is the most popular and well-known cultivar of Lavender. The fragrant flowers have dark purple calyxes and violet corollas. Beloved for its compact growth habit and superb dried flowers. (14" x 14") Zn5.

Lavandula angustifolia 'Jean Davis'

English Lavender (Code: 8077)

Pale rose-pink, fragrant flowers appear in summer on a compact plant. An attractive and unusual color for lavender. Deer resistant and evergreen. (18" x 16") Zn5.

Lavandula angustifolia 'Lavance'

English Lavender (Code: 3803)

Rich dark purple flowers shine above fragrant, compact gray-green foliage. Plant beside pathways to release fragrance as visitors brush past. Good for cut or dried flowers. (10" x 10-16") Zn5.

Lavandula angustifolia 'Maillette'

English Lavender (Code: 3266)

French cultivar selected for its fine oil content and attractive silvery foliage. Extremely fragrant, bright lavender flowers are excellent in potpourri also. (18-20" x 24") Zn5.

Lavandula angustifolia 'Martha Roderick'

English Lavender (Code: 3116)

Plentiful flower spikes of medium blue cover this heavy bloomer in early summer. It forms a dense, compact mound of fragrant silvery leaves. (2' x 2') Zn5.

Lavandula angustifolia 'Munstead'

English Lavender (Code: 8073)

This compact growing herb features light purple flowers and an earlier bloom time than most Lavender. The fragrant flowers dry well. (14" x 12-18") Zn5.

Lavandula angustifolia 'Premier'

English Lavender (Code: 3100)

Fragrant gray-green, evergreen foliage is topped by aromatic purple flower spikes. Dries well, and even reblooms in fall. (2' x 2') Zn5.

Lavandula angustifolia 'Purple Bouquet'

English Lavender (Code: 3234)

This Lavender has long stems and very dark purple blooms in summer. An attractive addition to any garden, it also rewards with bouquets of sweetly fragrant blossoms. (18-24" x 24-30") Zn5.

Lavandula angustifolia 'Sachet'

English Lavender (Code: 3098)

Sweetly-scented lavender flower spikes top this gray-green, compact sub-shrub. It prefers a sunny spot with well-drained soil. (12-15" x 18-24") Zn5.

Lavandula angustifolia 'Thumbelina Leigh'

English Lavender (Code: 3992)

This dwarf Lavender grows only 6" tall! Dark violet flowers appear in summer on short stems above the foliage and often reblooms if deadheaded. (6" x 12") Zn5. PP15231 Propagation Prohibited.

Lavandula angustifolia 'Twinkle Purple'

English Lavender (Code: 4666)

Fragrant, dark purple flower spikes on long stems fan out around compact plant. Excellent dried for potpourri. Deer resistant and evergreen. (24" x 24") Zn5.

Lavandula angustifolia 'Violet Intrigue'

English Lavender (Code: 4887)

Vibrant violet flowers bloom on long stems in summer. Excellent for use in cut and dried flower arrangements, this Lavender will rebloom when spent flowers are removed. It also makes a great hedge. (18-24" x 18-24") Zn5. PP15344 Propagation Prohibited.

Lavandula dentata var. candicans

Grey French Lavender (Code: 8067)

A stunning French lavender cultivar noted for its gray-hued foliage color. The dense, compact growth habit makes it perfect for sculpting, shearing or mid-border planting. (2-4' x 2-4') Zn9.

Lavandula x intermedia 'Dilly Dilly'

Lavandin (Code: 4732)

Beautiful long flower spikes of palest purple rise above compact silvery-gray foliage. Flowers are excellent for cutting or potpourri when dried. A simply heavenly scent! (12-24" x 12-24") Zn5.

Lavandula x intermedia 'Fred Boutin'

Lavandin (Code: 5368)

This robust plant produces masses of violet blooms on 8" stems that hold their color nicely when dried. The large silvery leaves are quite striking. (30" x 30") Zn5.

Lavandula x intermedia 'Goldburg'

Lavandin (Code: 4546)

The creamy-yellow and green-variegated foliage is topped by lavender-blue flower spikes in summer. It has a compact, mounding habit. Unusual! (18" x 18") Zn5. PP12709 Propagation Prohibited.

Lavandula x intermedia 'Gros Bleu'

Lavandin (Code: 3861)

One of the darkest purple-flowering Lavenders. Borne on exceptionally-long stems, this is the first choice for fresh or dried flowers. It also makes a handsome shrub or hedge in the landscape. (30" x 24-30") Zn5.

Lavandula x intermedia 'Grosso'

Lavandin (Code: 8074)

Violet-blue flowers bloom repeatedly on this vigorous, disease resistant cultivar. It makes excellent dried flowers and is one of the best Lavenders for producing essential oil. (24-36" x 24") Zn5.

Lavandula x intermedia 'Hidcote Giant'

Lavandin (Code: 3813)

A fragrant, medium-sized shrub with large, branched stems smothered by big purple flowers. (30-36" x 24") Zn5.

Lavandula x intermedia 'Impress Purple'

Lavandin (Code: 4384)

Purple summer flowers are especially impressive in dried floral bouquets and have a sweet fragrance. An upright, tall growth habit and gray foliage appeals too. (24-30" x 24-30") Zn5.

Lavandula x intermedia 'Provence'

Lavandin (Code: 8081)

Sweet-smelling, light purple flowers on long stems are excellent cut or dried. Lighter gray-green foliage adds a soothing contrast. This vigorous grower is disease resistant and often reblooms. (2' x 2') Zn5.

Lavandula x intermedia 'Silver Edge'

Lavandin (Code: 4774)

Beautiful variegated foliage! Blue-green leaves are edged with creamy-gold, fading to silver. Violet-blue flowers appear in summer. (3' x 2') Zn5. PP13091 Propagation Prohibited.

Lavandula x intermedia 'Super'

Lavandin (Code: 3106)

Tall, pale violet flower spikes adorn this large, mounding lavender. One of the best varieties for producing high-quality essential oil! It also creates an aromatic hedge for the garden. (3' x 3') Zn5.

Leucanthemum x superbum 'Ice Star'

Shasta Daisy (Code: 3814)

Bright white, fully double flowers top strong, sturdy stems. Dark green foliage contrasts beautifully! Blooms are more double than any other cultivar. (18-24" x 24") Zn5.

Leucanthemum x superbum 'Aglaia'

Shasta Daisy (Code: 2381)

Large, fringed, semi-double, white daisies top deeply-toothed, glossy green foliage in summer. As a cut flower, it can be used to create a focal point or massed for a bouquet. (24" x 24") Zn5.

Leucanthemum x superbum 'Becky'

Shasta Daisy (Code: 6540)

Single white daisies flower from June to October when deadheaded. This sturdy and clean selection was the 2003 Perennial Plant Association Plant of the Year and it is also a "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn3.

Leucanthemum x superbum 'Esther Reed'

Shasta Daisy (Code: 2389)

An old-fashioned favorite, this sturdy plant boasts large, double, white pincushion daisies. (24" x 24") Zn4.

Leucanthemum x superbum 'Goldrausch' ('Gold Rush')
Shasta Daisy (Code: 4277)
 This flamboyant daisy boasts huge 3 1/2" semi-double blooms in creamy-white & yellow hues. Compact and perfect for the front of the border, it reblooms when spent flowers are removed. (14" x 14") Zn4. PP15204
 Propagation Prohibited.

Leucanthemum x superbum 'Snowcap'
Shasta Daisy (Code: 2393)
 Large, perfect white daisies with yellow centers shine on a compact and very well-behaved plant. This is a good performer regardless of the weather. (12" x 12") Zn3.

Liatris spicata 'Kobold'
Blazing Star (Code: 3996)
 One of the best perennials for cut flowers, the violet-purple flower spikes are just 30" tall. The blooms appear in July and open at the top of the stem and then continue opening downward. (30" x 12-18") Zn3.

Lobelia 'Techno Heat', Upright Light Blue'
Lobelia (Code: 7850)
 Mounds of white starry flowers with subtle tints of blue on the petals makes this a perfect choice to brighten your garden. Bred to be heat tolerant while blooming non-stop this series is a winner! (6-12" x 12-18") Zn9.

Lonicera japonica 'Aureo-reticulata'
Goldnet Honeysuckle Vine (Code: 5642)
 Prominent bright yellow veining on the fresh green, rounded leaves make this vine appear incandescent. Fragrant light yellow flowers add appeal. (20' x 4-6') Zn5.

Lonicera nitida 'Baggesen's Gold'
Box Honeysuckle (Code: 5002)
 Brilliant golden foliage sparkles in the landscape. It responds well to shearing and is perfect as a small evergreen hedge or border plant. A "Great Plant Pick" for the Pacific Northwest! (6' x 4-6') Zn7.

Lonicera pileata
Privet Honeysuckle (Code: 4696)
 Horizontally-branched, semi-evergreen shrub for large scale underplanting or groundcover. Small creamy flowers are followed by clusters of translucent violet berries. A "Great Plant Pick" for the Pacific Northwest! (5' x 4') Zn5.

Lupinus 'Popsicle Mix'
Lupine (Code: 5846)
 This compact, sturdy and early blooming selection has stately flower spikes in reds, blues, purples, yellows and whites. Plant several for a vivid display of color! (18" x 18") Zn3.

Lupinus Russell Hybrids 'Chandelier'
Lupine (Code: 3069)
 Primrose-yellow flower spikes bloom above green palmate foliage. An excellent cut flower, great for mixed borders, it is also drought tolerant. (3' x 2') Zn3.

Lupinus Russell Hybrids 'My Castle'
Lupine (Code: 3063)
 Spires of brick-red flowers appear above palmate foliage in late spring. It makes a vibrant cut flower and grows best in dry, sunny locations. (3' x 2') Zn3.

Lupinus Russell Hybrids 'The Governor'
Lupine (Code: 3060)
 Beautiful spikes of blue and white flowers appear late spring and early summer. It makes an excellent addition for the cut flower garden. (3' x 2') Zn3.

Lupinus Russell Hybrids 'The Pages'
Lupine (Code: 3064)
 Cherry-red flowers on tall stalks adorn this lovely late spring bloomer. It makes a marvelous and vibrant cut bouquet, perfect for dry, sunny locations. (36" x 24") Zn3.

Lychnis x arkwrightii 'Vesuvius'
Arkwright's Campion (Code: 4386)
 Heavy blooming selection with deep burgundy buds that open to deep orange flowers that resemble a Maltese cross. Unusual bronzed-purple foliage is lovely in the spring border. (12-18" x 12") Zn5.

Lysimachia atropurpurea 'Beaujolais'
Purple Loosestrife (Code: 4481)
 Heavy blooming selection with gooseneck-like spikes of deep burgundy buds opening to deep burgundy-pink flowers. Long blooming and superb as a cut flower! (18" x 18") Zn6.

Lysimachia ciliata 'Purpurea'

Fringed Loosetrife (Code: 3087)

Deep burgundy-purple leaves provide striking foliage color in winter and spring. Delicate yellow flowers are borne in airy clusters on stalks in summer. It will spread vigorously with ample moisture. (24" x 36") Zn5.

Lysimachia punctata 'Golden Alexander'

Yellow Loosetrife (Code: 4667)

Brilliant golden-variegated foliage grows into a sturdy, upright clump. Sports buttery-yellow flowers in summer. Perfect for brightening moist, shady areas! (18-24" x 18-24") Zn4. PP13547 Propagation Prohibited.

Mentha requienii

Corsican Mint (Code: 8122)

Tiny bright green leaves tightly hug the ground, and bear light foot traffic well. Leaves emit a fresh, minty fragrance when crushed, making it perfect between pavers. (Restricted in some areas) (12" x 12") Zn6.

Mentha spicata 'Moroccan'

Moroccan Mint (Spearment) (Code: 4284)

This hardy herb is well-known for its very fragrant, clear spearmint flavor. Excellent culinary herb for teas, salads and sauces. (Restricted in some areas) (2' x 2') Zn5.

Mentha spicata 'Spearment'

Spearment (Code: 8115)

Dark green foliage has a fresh spearmint fragrance & flavor for culinary use in teas. Leafy spikes display purple-hued flowers in summer. Excellent when used dried or fresh. (Restricted in some areas) (28" x 24-36") Zn3.

Mentha x piperita 'Chocolate'

Chocolate Mint (Code: 5386)

This tasty mint contains just a hint of chocolate. Bronzy new leaves grow vigorously along red-hued stems. Use dried in teas, chocolate desserts and baking. (Restricted in some areas) (18-24" x 24-36") Zn3.

Monarda 'Mahogany'

Bee Balm (Code: 5922)

Striking deep wine-red blossoms combine well with many other flowers in the mixed border, particularly blues and whites. Excellent for cut flowers. Attracts hummingbirds and butterflies. (2-3' x 2') Zn3.

Lysimachia clethroides

Gooseneck Loosetrife (Code: 3090)

Gracefully-arching spikes of white flowers appear in summer and are adored by butterflies. This cottage garden favorite is wonderful for cut flowers. It will spread to form a colony. (24-36" x 24-36") Zn4.

Mentha piperita citrata

Orange Mint (Code: 8109)

Bronzy foliage has a refreshing orange-mint flavor and scent. Wonderful for teas, salads, and potpourri. (Restricted in some areas) (2' x 2-3') Zn3.

Mentha spicata 'Crispa'

Curly Spearmint (Code: 8118)

Decorative, round crinkled leaves and snappy spearmint flavor make this a must for any herb garden. Excellent in iced drinks! (Restricted in some areas) (2' x 2-3') Zn3.

Mentha spicata 'Spanish'

Spanish Mint (Spearment) (Code: 5930)

Abundant dark green, wrinkled leaves are highly aromatic. A wonderful addition to iced or hot teas. Vigorously spreads to form a large clump. (Restricted in some areas) (24" x 36") Zn4.

Mentha suaveolens

Apple Mint (Code: 4387)

This attractive, fragrant and upright growing herb is a terrific addition to the culinary garden. Light green foliage contrasts nicely with light purple-pink blooms midsummer. Hardy and easy to grow. (Restricted in some areas) (24" x 18") Zn5.

Mentha x piperita 'French Peppermint'

French Peppermint (Code: 8117)

This popular culinary herb has the best clean peppermint flavor, making it perfect for numerous culinary and medicinal uses. Excellent for teas and dries beautifully. (Restricted in some areas) (28" x 24-36") Zn3.

Monarda 'Raspberry Wine'

Bee Balm (Code: 6720)

Clear wine-red flowers emerge from raspberry-hued buds. A long lasting, fragrant, heavy bloomer that's mildew resistant to boot! (30-42" x 36") Zn3.

Monarda didyma 'Aquarius'

Bee Balm (Code: 2007)

Fragrant, dark mauve flowers with rosy-pink overtones emerge from purplish bracts in summer. A striking mildew resistant selection! (48" x 36") Zn4.

Monarda didyma 'Jacob Cline'

Bee Balm (Code: 6239)

Large true red blooms top tall, green, mildew resistant foliage on this vigorous growing cultivar. The flowers are very attractive to hummingbirds and butterflies. (4-5' x 2-3') Zn3.

Monarda didyma 'Petite Delight'

Bee Balm (Code: 3140)

Lavender-pink flowers top this cultivar that grows just 12-18" tall. The flowers appear in midsummer. (12-18" x 18") Zn3. PP10784 Propagation Prohibited.

Myosotis alpestris 'Ultramarine'

Forget-Me-Not (Code: 4985)

Hundreds of dainty deep blue flowers cover this Forget-Me-Not in spring and early summer. Considered one of the best strains of Myosotis due to its compact habit. (5-6" x 8-12") Zn3.

Myosotis sylvatica 'Rosea'

Forget-Me-Not (Code: 3134)

Clouds of pink forget-me-nots shine above green foliage, making this a wonderful little companion plant for spring-flowering bulbs. Biennial. (9" x 12") Zn3.

Nepeta 'Pink Pixie'

Catmint (Code: 4894)

A real breakthrough, this dwarf Catmint has medium pink flowers that bloom in early summer above gray-green foliage. It will rebloom when spent flowers are removed. Easy to grow. (6-9" x 12-16") Zn4.

Nepeta racemosa 'Little Titch'

Dwarf Catmint (Code: 7115)

Sweet blue flowers grace this dwarf Catmint repeatedly. Low mounds of gray-green foliage stay compact and carefree. (6-10" x 12") Zn3.

Nepeta subsessilis

Catmint (Code: 2655)

Dense spikes of deep blue, trumpet-shaped flowers are held in clusters over bushy foliage. It has larger blooms and is more moisture tolerant than other catmints. (24" x 24") Zn3.

Monarda didyma 'Coral Reef'

Bee Balm (Code: 5894)

Glowing coral-pink summer blooms shine on tall, sturdy stems. This lovely border accent has good mildew resistance. (36-42" x 24-30") Zn3. PP16741 Propagation Prohibited.

Monarda didyma 'Marshall's Delight'

Bee Balm (Code: 3125)

The stunning vivid pink flowers and shiny light green leaves make this Monarda a striking perennial border addition. Mildew resistant too! (2-3' x 2-3') Zn3.

Monarda didyma 'Petite Red' ('Fireball')

Bee Balm (Code: 4015)

This dwarf form of Bee Balm grows just 16-20" tall, with bright red flowers appearing July and August. Mildew resistant foliage. (16-20" x 12-18") Zn4. PP14235 Propagation Prohibited.

Myosotis sylvatica 'Alba'

Forget-Me-Not (Code: 3133)

Clouds of white Forget-Me-Nots shine above green foliage, making this plant an adorable companion for all those spring-flowering bulbs. Biennial. (9" x 12") Zn3.

Nepeta 'Joanna Reed'

Catmint (Code: 5579)

This lovely catmint has larger blooms that flower profusely, late spring through fall. The large leaves form a nice green, mounding base under luminous cornflower-blue blooms. (24-36" x 24") Zn3.

Nepeta cataria 'Citriodora'

Lemon Catnip (Code: 2114)

Soft, green foliage has an intense, fresh lemon scent. It makes a refreshing tea. (18-24" x 18-24") Zn4.

Nepeta sibirica 'Souvenir d'Andre Chaudron'

Catmint (Code: 5919)

Bright lavender-blue, tubular flowers bloom over a very long period. This tall-growing form adds wonderful late-season color to the garden. (24-36" x 24") Zn3.

Nepeta subsessilis 'Pink Dreams'

Catmint (Code: 4201)

Bushy plant with deep green, fragrant leaves that produce clusters of trumpet-like, bright pink flowers in abundance. The flowers mature to a soft pink. (24-30" x 18-24") Zn4.

Nepeta x faassenii 'Dropmore'

Catmint (Code: 6537)

Dark violet-blue flowers appear in abundance throughout summer. Shear hard after initial bloom for a second long-lasting flush of color. (18" x 18") Zn4.

Nepeta x faassenii 'Walkers Low'

Catmint (Code: 6362)

A profusion of violet-blue flowers top soft gray-green foliage repeatedly late spring through fall. An excellent plant to soften hot colors in the border. 2007 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (15" x 18") Zn5.

Nepeta yunnanensis 'Blue Dragon'

Catmint (Code: 7410)

Large showy "dragon head" blooms on this Catmint makes it a must-have in the garden. Shorter than N. yunnanensis, it will stay upright in a sunny border. (28-30" x 24-30") Zn6. PPAF Propagation Prohibited

Nicotiana x sanderae 'Fragrant Cloud'

Flowering Tobacco (Code: 4635)

Sweetly-scented white, upward-facing, trumpet flowers grace this sturdy plant. Large blossoms are richly-fragrant at twilight. Half-hardy annual. (3' x 2') Zn9.

Oenothera fremontii 'Shimmer'

Evening Primrose (Code: 7694)

Bright lemon-yellow saucer-like blooms appear in spring, then bloom again mid summer and fall! The fine textured silver and green variegated foliage is showy even when not in flower. Compact habit. (10" x 18") Zn4. PP19663 COPF

Oenothera longifolia 'Lemon Sunset'

Evening Primrose (Code: 3520)

Deep red stems set off large, soft yellow flowers that mature to a red "sunset" color that is magnificent! It will flower dependably the first year. (24-26" x 12-24") Zn4.

Origanum 'Amethyst Falls'

Oregano (Code: 4453)

Large sprays of pendulous, chartreuse bracts with protruding bright purple flowers appear in summer. Attractive, fragrant leaves enhance this amazing, long-blooming ornamental Oregano. It performs best in well-drained soil. (8-12" x 24") Zn5. PPAF Propagation Prohibited.

Origanum 'Barbara Tingey'

Ornamental Oregano (Code: 4355)

Flowers with small corollas surrounded by showy, rosy-green, papery bracts bloom profusely above leathery leaves and wiry trailing stems in late summer. Good for hanging baskets or as a dried flower. (10-12" x 12-16") Zn8.

Origanum laevigatum 'Hopley's Purple'

Oregano (Code: 3151)

Ideal plant for difficult garden situations. Very long-lasting burgundy-purple flowers. It thrives on dry slopes and makes an excellent dried flower. (18" x 12") Zn5.

Origanum rotundifolium 'Kent Beauty'

Oregano (Code: 6162)

Delicate drooping clusters of unusual, pink hop-like flowerheads accent pale gray, heart-shaped leaves that have the scent of Oregano. The flowers retain their color beautifully when dried. (12" x 18") Zn5.

Origanum sp.

Sicilian Oregano (Code: 6447)

This upright, culinary Oregano has gray-green foliage with a strong spicy aroma and flavor. The leaves are topped by tiny white flowers in summer. (18" x 18") Zn6.

Origanum vulgare 'Aureum'

Golden Marjoram (Code: 8100)

Beautiful crinkled golden foliage is a nice color contrast for the rockery or garden edge. It has a mild oregano flavor that will enhance food when used fresh or dried. (4" x 16") Zn6.

Origanum vulgare 'Dark Leaf'

Oregano (Code: 5932)

Rich dark green leaves have a robust flavor and a wonderful spicy aroma too! The foliage is equally beautiful in the herb garden, rockery or the mixed border. (10-12" x 14") Zn5.

Origanum vulgare 'Dr. Letswaart'

Golden Oregano (Code: 8136)

Beautiful golden foliage adds great color contrast to the garden. Nice mild flavor makes it good for culinary use, fresh or dried. (3-4" x 18") Zn5.

Origanum vulgare 'Hot & Spicy'

Oregano (Code: 2139)

One of the tastiest cultivars of culinary Oregano available. The foliage is very aromatic with a marvelous spicy flavor. (12-24" x 12-24") Zn5.

Origanum vulgare 'Nana'

Dwarf Marjoram (Code: 8101)

Dark green compact mounds produce a layer of pink flowers. Flavorful leaves can be picked fresh or dried for culinary use. (6-12" x 12-24") Zn5.

Origanum vulgare 'Variegatum'

Variegated Oregano (Code: 4170)

Spreading green leaves are streaked with creamy-ivory. The foliage is equally beautiful in the herb garden or mixed border. (6-10" x 24") Zn6.

Osteospermum 'Nuansa Copper Purple'

African Daisy (Code: 4489)

Purple daisy-like flowers with copper tips bloom all season when in moderate temperatures. Plant in well-drained soil. (12" x 12") Zn9.

Osteospermum 'Side Show Bicolor Pink'

African Daisy (Code: 7477)

White daisy-like flowers have pink edges and bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9. Zn9 White daisy-like flws w/ pink edges all season!

Osteospermum 'Side Show Copper Apricot'

African Daisy (Code: 7555)

Copery-apricot, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show White'

African Daisy (Code: 7552)

White, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Origanum vulgare 'Humile'

Dwarf Greek Oregano (Code: 8140)

Creeping stems form a mat of evergreen foliage on this flowering groundcover. The leaves have a pungent aroma and flavor, and can be used fresh or dried. (2" x 16") Zn5.

Origanum vulgare 'Variegata'

Tricolored Marjoram (Code: 8102)

Beautiful prostrate marjoram has variegated leaves splashed with green, gold and cream. Excellent for contrast in the border or herb garden. Use fresh or dried leaves for flavoring food. (5" x 18") Zn6.

Origanum x majoricum

Hardy Marjoram (Code: 5638)

This excellent culinary marjoram is truly a hardy perennial. White flowers that appear in summer add to its appeal. (16" x 18") Zn5.

Osteospermum 'Seaside'

African Daisy (Code: 2090)

Clear pink daisies with white centers glow above green, mounding foliage. (12" x 12") Zn9. PP10782 Propagation Prohibited.

Osteospermum 'Side Show Bicolor Purple'

African Daisy (Code: 7546)

Purple daisy-like flower petals have a white halo in the center and bloom profusely all season on compact plants with improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show Golden Yellow'

African Daisy (Code: 7476)

Golden-yellow, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum barbariae v. compactum 'Purple Mountain'

African Daisy (Code: 7563)

Bright purple, daisy-like flowers cover a mat of rich green leaves most of the season. This is a hardy form of African daisy, that if provided with excellent drainage, should survive in areas with cold winters. (10" x 12") Zn6.

Penstemon 'Blackbird'

Beard Tongue (Code: 6711)

Slender dark burgundy flowers bloom all summer on red stems. A real knockout for the sunny border. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 18") Zn7.

Penstemon 'Enor'

Beard Tongue (Code: 4898)

Shiny foliage is markedly darker green than other Penstemons. It produces a generous display of medium-sized tubular, purple flowers from June through September. (3' x 2-3') Zn7.

Penstemon 'Papal Purple'

Beard Tongue (Code: 3766)

The narrow green foliage has an abundance of deeply-throated, dark purple flowers from summer through fall. (2' x 2') Zn7.

Penstemon 'Stapleford Gem'

Beard Tongue (Code: 3774)

Light, lilac-blue, bell-shaped flowers have creamy-white throats and are streaked with lilac. The blooms of this vigorous grower appear in summer. (36" x 12-16") Zn7.

Penstemon digitalis 'Dark Towers'

Beard Tongue (Code: 4132)

Glossy bronze-red foliage is topped by masses of pink flowers in July and August. Tall dark bronze foliage is showy even when not in flower. Tolerates heat and humidity. (36" x 18-24") Zn3. PP20013 Propagation Prohibited.

Penstemon pinifolius 'Mersea Yellow'

Beard Tongue (Code: 6724)

Small, bright yellow, tubular flowers and needle-like foliage enhance this shrubby, compact and hardy native cultivar. (8" x 18") Zn4.

Penstemon x barbatus 'Prairie Dusk'

Beard Tongue (Code: 4989)

Tall, vivid purple, tubular blooms appear all summer and are a favorite of hummingbirds. It's drought tolerant, deer resistant, and easy to grow. Remove spent flowers for best rebloom. (30" x 12-18") Zn3.

Penstemon 'Catherine de la Mare'

Beard Tongue (Code: 5667)

Many blue-purple, tubular blooms fade to opalescent sky blues and pinks. This vigorous, floriferous, somewhat compact cultivar is great for rock gardens. (16" x 12") Zn6.

Penstemon 'Mother of Pearl'

Beard Tongue (Code: 3276)

Small, opalescent, bell-shaped flowers have shades of pink and lavender on petal edges and cranberry streaks in the throat. (24-36" x 12-18") Zn7.

Penstemon 'Raven'

Beard Tongue (Code: 5657)

This charming selection is an easy, reliable favorite with dark, velvety purple-red blossoms on dark green foliage. It blooms summer to frost and prefers well-drained soil. (3' x 3') Zn7.

Penstemon 'Thorn'

Beard Tongue (Code: 6702)

Creamy-white buds, blushed with rosy-red, open to shades of palest pink. The long blooming flowers are attractive to hummingbirds and appear from summer through fall. (36" x 32") Zn7.

Penstemon digitalis 'Husker's Red'

Beard Tongue (Code: 3210)

Gorgeous deep red foliage is topped with lavender-white flowers in early summer, providing stunning contrast! 1996 Perennial Plant Association Plant of the Year. (30" x 24") Zn3.

Penstemon procerus var. brachanthus

Pincushion Penstemon (Code: 7711)

This charming, mat-forming Penstemon has spikes of small purple flowers to 10" tall in late spring. Native from northern California through Oregon. (3-10" x 18-24") Zn6.

Penstemon x campanulatus 'Garnet'

Beard Tongue (Code: 3212)

Gorgeous wine-red flowers bloom all summer and are a favorite of hummingbirds! An excellent cut flower too. (2' x 2') Zn7.

Penstemon x hartwegii 'Appleblossom'

Beard Tongue (Code: 3226)

Large white flowers have a soft pink blush. Willow-like foliage adds elegance to this extremely long-blooming perennial. It prefers good drainage. (24" x 18") Zn7.

Perovskia 'Lacey Blue'

Russian Sage (Code: 7652)

This compact, upright form of Russian sage will look and fit better in smaller gardens! Deep violet-blue flowers arranged in panicles appear in summer above gray-green lacy foliage. Prefers somewhat dry, well-drained soil and a sunny location. Grown from a seedling of P. 'Blue Spire' (30-36" x 36-42") Zn5. PP20845

Philadelphus 'Belle Etoile'

Mock Orange (Code: 6485)

This desirable, hard-to-find selection has 2" wide white flowers flushed maroon at their center. It's fabulously fragrant and compact! A "Great Plant Pick" for the Pacific Northwest! (6' x 5') Zn5.

Phlox paniculata 'Blue Paradise'

Tall Garden Phlox (Code: 7522)

This fragrant, upright phlox has compact dark green leaves with large blue flowers that darken to violet. Perfect for bouquets and garden borders. (30" x 18") Zn4.

Phlox paniculata 'Bright Eyes'

Tall Garden Phlox (Code: 3273)

Pink blossoms with large, dark ruby eyes form lovely 7" round flower heads atop tall, stately clumps. It blooms mid summer to fall. Excellent for bouquets. (30" x 24") Zn3.

Phlox paniculata 'David's Lavender'

Tall Garden Phlox (Code: 2248)

A vegetative sport of Phlox 'David', this mildew-resistant plant has lilac colored blooms with deeper raspberry-purple eyes. (4-5' x 3') Zn4. PP17793 Propagation Prohibited.

Phlox paniculata 'Flame Light Pink'

Tall Garden Phlox (Code: 3817)

Large clusters of slightly-fragrant, light pink flowers have dark pink eyes. It blooms July through August. Compact and disease resistant. (18-24" x 8-10") Zn4. PP11805 Propagation Prohibited.

Penstemon x hartwegii 'Firebird'

Beard Tongue (Code: 3223)

Large fiery-red flowers on tall stems bloom from mid-summer to frost above semi-evergreen foliage. (24-30" x 24") Zn7.

Petunia 'Littleunia® White Grace'

Petunia (Code: 7844)

A compact mound of continuous pure white 1-1/2" blooms from late spring to fall making this Grace truly amazing! Self cleaning so no need for deadheading. Fertilize weekly for best performance. (4-6" x 18-24") Zn10.

Phlox paniculata 'Becky Towse'

Tall Garden Phlox (Code: 4736)

The bright gold and green-variegated foliage makes a big splash of color in the perennial border. Fragrant, coral-rose flowers with darker magenta centers appear in late summer. (20-28" x 24") Zn4. PP12908 Propagation Prohibited.

Phlox paniculata 'Blushing Shortwood'

Phlox (Code: 6604)

This compact form displays clusters of bi-colored blooms of soft lavender-pink and white in midsummer. Nice upright habit makes it a great addition to the perennial garden. Disease resistant. (20" x 12-16") Zn4. PPAF Propagation Prohibited.

Phlox paniculata 'David'

Tall Garden Phlox (Code: 5989)

Fragrant, sparkling white flowers in late summer top very mildew resistant leaves. This tall, easy to grow perennial is wonderful for cut flowers. 2002 Perennial Plant Association Plant of the Year. (36-48" x 12-24") Zn4.

Phlox paniculata 'Flame Coral Red'

Phlox (Code: 7314)

Large, fragrant, coral-red flowers appear from July to September. Phlox makes a terrific cut flower, perfuming your home with a sweet scent. The dwarf habit of the Flame series makes it a good selection for growing in containers. Mildew resistant. (15-18" x 12-15") Zn4. PPAF

Phlox paniculata 'Flame Purple'

Tall Garden Phlox (Code: 3818)

Large clusters of lightly-fragrant purple flowers have darker purple-red eyes. It's compact and disease resistant. (10-12" x 8-10") Zn4. PP12605, CPBR1095 Propagation Prohibited.

Phlox paniculata 'Flame White with Red Eye'

Phlox (Code: 7315)

Large, fragrant, snow-white flowers have red eyes and appear from July to September. The dwarf habit of the Flame series makes it a good selection for growing in containers. A terrific, sweetly fragrant cut flower too! Mildew resistant. (15-18" x 12-15") Zn4. PPAF

Phlox paniculata 'Red Eyes'

Tall Garden Phlox (Code: 6872)

Clusters of fragrant deep pink flowers with dark rose eyes top this cottage garden favorite. Excellent for cut flowers or as a dramatic border accent. (30" x 24") Zn4.

Phlox paniculata 'Shortwood'

Tall Garden Phlox (Code: 4017)

Bright pink blooms with rose eyes are very showy in mid-to-late summer. Attracts butterflies and hummingbirds. Excellent for bouquets and very mildew resistant. (35-43" x 18-24") Zn4. PP10379, COPF Propagation Prohibited.

Phygellus 'Cherry Ripe'

Cape Fuchsia (Code: 4993)

Pendant, tubular, bright cherry-red flowers bloom spring to fall on arching stems with soft green leaves. It attracts hummingbirds all season. (24-30" x 24-36") Zn7. PP17948 Propagation Prohibited.

Phygellus 'Funfare Wine'

Cape Fuchsia (Code: 3864)

Lovely spires of wine-colored, tubular flowers grow in clusters. The flowers are quite attractive to hummingbirds. With a compact habit, it's perfect in the garden or in containers. (24" x 18") Zn7. PPAF Propagation Prohibited.

Phygellus aequalis 'Yellow Trumpet'

Cape Fuchsia (Code: 3321)

Soft yellow, trumpet-like flowers dangle from upright stems on this choice shrubby perennial. (30" x 18") Zn7.

Phygellus x rectus 'Pink Elf'

Cape Fuchsia (Code: 5379)

Tubular, dusky pink flowers with crimson throats dangle from upright stems on this shrubby perennial. An elegant and eye-catching addition to the garden. (30" x 24") Zn7.

Phlox paniculata 'Orange Perfection'

Tall Garden Phlox (Code: 3284)

Richly-hued blooms of deep orange are flushed with magenta. Deep green foliage has good mildew resistance. Excellent cut flower. (36-48" x 12-24") Zn4.

Phlox paniculata 'Sherbet Cocktail'

Garden Phlox (Code: 4992)

A color breakthrough! Flowers have light creamy-yellow petals that are outlined and overlaid with lavender-pink! A true eye-catcher for the sunny perennial border, especially when planted en masse. (28" x 20") Zn4. PPAF Propagation Prohibited.

Phlox paniculata 'Starfire'

Tall Garden Phlox (Code: 3288)

Bright cherry-red flowers in late summer appear above bronze-green leaves. One of the best reds. (2' x 2') Zn4.

Phygellus 'Croftway Snow Queen'

Cape Fuchsia (Code: 4994)

Tubular, pure white flowers dangle from long stems and bloom repeatedly when spent flowers are cut back. A favorite of hummingbirds. (18-24" x 18-24") Zn7. PP18366 Propagation Prohibited.

Phygellus 'Sunshine'

Cape Fuchsia (Code: 3403)

This unusual, gold-leafed form is topped by tubular candelabras of drooping, burnt-orange/coral-red flowers. It performs best in part shade. (36" x 36") Zn7.

Phygellus x rectus 'African Queen'

Cape Fuchsia (Code: 3320)

Exquisite pendulous salmon-orange flowers with lemon-yellow throats bloom in abundance all summer. A favorite of hummingbirds. (24-36" x 18-24") Zn7.

Phygellus x rectus 'Winchester Fanfare'

Cape Fuchsia (Code: 5381)

Deep reddish-pink tubular flowers with scarlet lobes dangle on tall, candelabra-like stems. A graceful and stunning garden accent. (30" x 24-36") Zn7.

Physostegia virginiana 'Miss Manners'

Obedient Plant (Code: 4402)

Charming, pure white, snapdragon-like flowers appear late summer and last through frost. New and improved variety has a non-spreading habit. (18-24" x 24") Zn3. PP12637 Propagation Prohibited.

Polemonium caeruleum 'Brise d'Anjou'

Variegated Jacob's Ladder (Code: 3461)

Delicate creamy-edged foliage and violet-blue flowers are a knockout combination. A stunning selection for the shade garden. Prefers rich, moist, well-drained soil. (18" x 18") Zn5. PP9781, COPF Propagation Prohibited.

Polemonium reptans 'Touch of Class'

Jacob's Ladder (Code: 4389)

The foliage has bright, silvery-white edges with gray-green centers, giving the plant an overall silvery appearance. Silvery-blue flowers appear in spring. The foliage is also quite heat resistant. (12-18" x 12-18") Zn3. PP19768 Propagation Prohibited.

Primula 'Green Jade'

Primrose (Code: 6634)

Frilly green flowers with a yellow eye bloom from spring to early summer. A great garden performer for moist sites. (4" x 9") Zn6.

Primula japonica 'Miller's Crimson'

Japanese Primrose (Code: 3366)

Bright crimson-red flowers are arranged in whorls up tall, graceful stalks in spring making it a gorgeous selection for the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 12") Zn5.

Prostanthera rotundifolia

Australian Mint Bush (Code: 8155)

Aromatic shrub with tiny, rounded, evergreen leaves that are completely smothered with pretty lavender blooms in spring. This is an excellent shrub for topiary. (4-7" x 3') Zn8.

Pulmonaria 'Majeste'

Lungwort (Code: 4413)

Dainty flowers open pink then age to blue in early spring. Silver leaves have a thin green margin and remain beautiful in summer heat. (12" x 12") Zn4.

Polemonium boreale 'Heavenly Habit'

Jacob's Ladder (Code: 4280)

Beautiful clusters of large, fragrant, blue flowers with yellow halos and white eyes appear repeatedly throughout the season. Glossy, fern-like foliage forms a compact mound. (20" x 20") Zn3.

Polemonium reptans 'Stairway to Heaven'

Jacob's Ladder (Code: 4163)

Dramatic variegated leaves have wide creamy margins. The foliage is remarkably heat resistant and takes on a beautiful pink flush in cool weather. Sky-blue flowers appear in spring. (12-16" x 12-18") Zn4. PP15187, EU15723 Propagation Prohibited.

Polemonium yezoense 'Purple Rain'

Jacob's Ladder (Code: 4102)

Dramatic, nearly black, ferny leaves are topped by large blue flowers. The foliage fades to dark green with a silvery sheen as the season progresses. A beautiful selection for the shady border. (24" x 18") Zn5.

Primula japonica 'Alba'

Japanese Primrose (Code: 6517)

Pure white flowers are arranged in whorls up tall, graceful stalks in summer. A gorgeous selection for the shade garden. (12-18" x 12") Zn5.

Primula veris 'Sunset Shades'

Cowslip Primrose (Code: 4057)

This fragrant primrose has blooms in sunset colors of oranges, reds and yellows, that appear on short stems. It adds a spot of bright color to the shade garden and will naturalize in moist shade. (8-10" x 10") Zn2.

Prunella 'Summer Daze'

Self Heal (Code: 3506)

Masses of large showy, vibrant pink flowers appear in summer. The semi-evergreen oak leaf-shaped foliage is beautiful in spring before flowering and remains compact. (9-12" x 10-12") Zn4. PP19609 Propagation Prohibited.

Rudbeckia fulgida 'Early Bird Gold'™

Black-eyed Susan (Code: 4574)

The number one selling perennial of all time just got better! This black-eyed Susan blooms several weeks earlier and longer than any other perennial Rudbeckia cultivar! Easy to grow and truly durable. (24-30" x 18-24") Zn4. PP20286 Propagation Prohibited.

Rudbeckia fulgida 'Goldsturm'

Black-Eyed Susan (Code: 3399)

This popular low maintenance perennial has golden daisies with brown central cones from July to October. 1999 Perennial Plant Association Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! It's an excellent cut flower too! (30" x 24") Zn4.

Rudbeckia hirta 'Denver Daisy',[®]

Black-eyed Susan (Code: 7852)

Named for the Mile High City, this daisy sports giant 8" flowers of the purest yellow the a deep, rusty-red radiating up the petal creating a halo effect around the chocolate brown cone. Selected for it's heat tolerance, summer long flower power and its ability to stand up to extreme conditions, it was used by Denver for their 150th anniversary city beautification project. (22-26" x 18-20") Zn3.

Rudbeckia hirta 'Prairie Sun'

Gloriosa Daisy, Black-eyed Susan (Code: 7853)

Best when treated as an annual, this Rudbeckia has 5" flowers featuring light orange rays tipped with lemon yellow all surrounding a greenish center disk. Robust, free-flowering and heat tolerant. (30-36" x 18-24") Zn3.

Rudbeckia subtomentosa 'Henry Eilers'

Black-Eyed Susan (Code: 4135)

Unusual quilled gold petals surround chocolate-brown centers, blooming late summer. This tall Rudbeckia makes a great specimen for the back of the border. (5' x 2-3') Zn4.

Salvia 'Mystic Spires'

Meadow Sage (Code: 3868)

Deep violet-blue flower spikes bloom repeatedly from summer well into fall! This improved form of Salvia 'Indigo Spires', has a shorter habit that requires less pruning to keep it within bounds. (2-3' x 2-3') Zn7. PP18054 Propagation Prohibited.

Salvia elegans 'Frieda Dixon'

Pineapple Sage (Code: 6222)

This gorgeous herb boasts profuse, clear watermelon-colored flowers. Bright lime-green leaves and a pure, fresh pineapple scent adds to its charm. Delicious and aromatic in fruit salad! (3-4' x 3') Zn8.

Salvia elegans 'Scarlet Tangerine'

Citrus-Scented Sage (Code: 3677)

Delicate spikes of brilliant red, tubular flowers appear above citrus-scented leaves. With a marvelous fragrance, it is an excellent choice for teas, potpourri or garnishes. (3' x 3') Zn8.

Rudbeckia hirta 'Cherry Brandy'

Black-Eyed Susan (Code: 4998)

A color breakthrough! 3" muted cherry-red, daisy-like flowers have a brown eye and bloom all summer. It's an excellent cut flower. (20" x 18-24") Zn9.

Rudbeckia hirta 'Irish Eyes'

Black-Eyed Susan (Code: 4999)

Cheerful yellow daisy-like flowers have lime-green eyes and bloom all summer. It provides easy color for mixed borders or containers, and also makes a superb cut flower. (24-30" x 24-36") Zn9.

Rudbeckia nitida 'Herbstsonne' ('Autumn Sun')

Black-Eyed Susan (Code: 3319)

This tall, commanding Rudbeckia blooms late summer through fall, displaying large single, lemon-yellow flowers with prominent green cones. (5-6' x 3') Zn3.

Salvia 'Indigo Spires'

Sage (Code: 5268)

Deep violet-blue flower spikes reach up to 14" long and bloom from July to fall. Excellent to fill in empty spots in the border late in the season or as a centerpiece for large mixed containers. (4-5' x 3') Zn8.

Salvia darcyi

Galeana red sage (Code: 7425)

Long, terminal, bright red flower spikes rise above foliage in late spring and early summer. It spreads by stolons to produce wide clumps that are densely covered with the pastel green triangular shaped leaves. (24-36" x 24-36") Zn8.

Salvia elegans 'Golden Delicious'

Pineapple Sage (Code: 4278)

This delicious sage boasts emerging foliage in brilliant shades of gold. In fall, vivid red blooms contrast marvelously with pineapple-scented leaves. (36" x 24") Zn8. PP17977 Propagation Prohibited.

Salvia guaranitica 'Black and Blue'

Anise Sage (Code: 4252)

Long, deep blue spikes of snapdragon-like flowers emerge from black buds, midsummer to frost. The leaves are bright green with a soft fuzzy texture. (3-4' x 3') Zn7.

Salvia verticillata 'Purple Rain'
Garden Sage (Code: 5857)

Fuzzy leaves provide a backdrop for arching, boysenberry-colored flowers in summer. A "Great Plant Pick" for the Pacific Northwest! (18" x 18") Zn4.

Salvia x pratensis 'Rose Rhapsody'
Meadow Sage (Code: 4025)

Long stems of hooded pink flower spikes appear above mounds of green wrinkled leaves in early summer. It will bloom again when spent flowers are removed. (18-20" x 24") Zn4.

Sambucus nigra 'Variegata'
Variegated Elderberry (Code: 6080)

Stunning deciduous shrub with brilliantly-variegated green and white leaves. Large flat clusters of white spring flowers are followed by dark purple berries. (13' x 6') Zn4.

Sambucus racemosa
Red Elderberry (Code: 7240)

NW native deciduous shrub with pinnately compound leaves. Clusters of tiny white flowers bloom from early spring to mid summer, followed by showy, bright red (sometimes yellow or white) berries. The fruits are inedible, but good for wildlife. (10' x 8-12') Zn4.

Sanguisorba obtusa
Burnet (Code: 5623)

Arching, wiry stems hold nodding pink bottlebrush spikes above elegant, lacy leaflets in summer. This tough and long-lived perennial prefers moist sites. (30" x 24") Zn4.

Saponaria ocymoides
Soapwort (Code: 3418)

Pretty pink flowers smother this low-growing gem in early summer. The dense, spreading habit is ideal for trailing over banks, terraces, or low walls. (4" x 24") Zn4.

Scabiosa atropurpurea 'Chat Noir'
Pincushion Flower (Code: 4454)

Very large, fragrant, double, dark red flowers bloom all season. It makes excellent cut flowers. (30-36" x 18-24") Zn10.

Salvia x pratensis 'Eveline'
Garden Sage (Code: 3892)

Tall, upright spikes have large bicolor flowers of light and dark pink hues. The bushy habit works well near the front of the border or in containers. (15-24" x 18-24") Zn4. PP14905 Propagation Prohibited.

Sambucus nigra 'Madonna'
Elderberry (Code: 6081)

Brilliant gold-variegated leaves are graced with pretty white flower clusters midsummer, followed by berries in fall. An excellent contrast when placed against a dark background. (12' x 6') Zn4.

Sambucus nigra ssp. caerulea
Blue Elderberry (Code: 7239)

NW native deciduous shrub with pinnate compound leaves and creamy-white, flat-topped flowers 6" in width that bloom from late spring to early summer. Dark blue berries follow in summer and fall and are often made into jams. (12-20' x 8-12') Zn4.

Sambucus racemosa 'Sutherland Gold'
Golden Elderberry (Code: 6739)

Lacy white flowers dance atop finely-dissected golden foliage in summer. A striking and vigorous selection that tolerates sun nicely. (10' x 6-8') Zn5.

Sanguisorba tenuifolia 'Pink Elephant'
Burnet (Code: 4677)

Tall, thin stems are topped by long, deep pink, cylindrical flowers in summer. The leaves have a neat fern-like appearance. (4' x 2') Zn4.

Scabiosa atropurpurea 'Beaujolais Bonnet'
Pincushion Flower (Code: 7693)

Rich burgundy flowers with contrasting paler outer petals and white stamens appear for months on long wiry stems, perfect for cut flowers. Ideal for attracting butterflies to your borders or containers. (20-24" x 18-24") Zn.

Scabiosa columbaria 'Butterfly Blue'
Pincushion Flower (Code: 5914)

Loads of lavender-blue flowers bloom spring through fall on this compact plant. A rewarding garden performer, it was the Perennial Plant Association Plant of the Year for 2000. (18" x 18") Zn5.

Scabiosa columbaria 'Harlequin Blue'

Pincushion Flower (Code: 3819)

This improved pincushion flower is more vigorous with greater quantities of bloom! Large, lacy, lavender-blue flowers appear from late spring through fall. (18" x 12-18") Zn6.

Sedum 'Autumn Delight'

Stonecrop (Code: 4862)

Succulent leaves and stems are lime-hued with dark green edges. Flowers are a nice shade of pink and turn bronze in fall. (18-24" x 18-24") Zn4. PP18398 Propagation Prohibited.

Sedum 'Plum Perfection'

Stonecrop (Code: 7620)

Plum and gray-green foliage are highlighted with pink star-shaped flowers in August. The foliage forms a low mound, perfect for the front of the border or rock garden. (6" x 10-12") Zn4. PPAF

Sedum 'Sunkissed'

Stonecrop (Code: 7032)

This Sedum forms upright grayish/blue-green foliage that contrasts dramatically with creamy-yellow flowers; a novel flower color for an upright sedum! (12-18" x 12-18") Zn3. PP16927 Propagation Prohibited.

Sedum kamtschaticum 'The Edge'

Kamtschatka Stonecrop (Code: 4455)

Light green foliage with distinct yellow margins make this plant very striking even when not in flower. Star-shaped yellow flowers appear in summer. (6" x 12") Zn4.

Sedum spectabile 'Autumn Fire'

Stonecrop (Code: 3459)

Large, bright rosy-pink flower heads glow from late summer into fall. Dried flower heads provide delightful winter interest. A more compact form than S. 'Autumn Joy'. (12-18" x 12") Zn3.

Sedum spectabilis 'Pink Chablis'

Stonecrop (Code: 6015)

This variegated form of Sedum 'Brilliant' has vigorous growth with an improved compact habit. Broad green succulent leaves have a clean white edge that is well displayed. Pink flowers appear in late summer from white buds. (18" x 18-24") Zn3. PP19060 Propagation Prohibited.

Scabiosa columbaria nana 'Blue Note'

Pincushion Flower (Code: 5253)

This dwarf alpine plant has blue flowers that appear for many weeks in late spring & early summer. The flowers are attractive to butterflies. Perfect for the front of the border or rock garden. (5-6" x 6") Zn3.

Sedum 'Beach Party'

Stonecrop (Code: 7603)

Sedum 'Beach Party'™ is blanketed with thousands of star shaped, light rose-pink flowers that look like mounding dunes. Bees and butterflies will definitely have a party feasting on the prolific blooms. (14-18" x 18-24") Zn4. PPAF, PVR

Sedum 'Postman's Pride'

Stonecrop (Code: 3826)

Small rounded, dark purple leaves have blue undertones. Tiny purple summer buds burst into blooms of rich pinkish-red, maturing to burgundy in cool fall weather. (18-24" x 24") Zn3. PP16831 Propagation Prohibited.

Sedum hybridum 'Immergrunchen'

Stonecrop (Code: 4431)

A vigorous, semi-evergreen, green leaf form of Sedum with yellow flowers in July and again in September. Foliage turns amber in winter. (1-3" x 12-24") Zn3.

Sedum rupestre 'Variegata'

Stonecrop (Code: 6334)

Mat-forming, blue green needle-like foliage has bright yellow growing tips. Yellow flowers appear in early summer. This evergreen, drought tolerant succulent can be used in rock gardens, borders or containers. Easy to grow in well-drained, average soil. Attractive to butterflies and is deer resistant. (4-8" x 18-24") Zn3.

Sedum spectabile 'Autumn Joy' ('Herbstfreude')

Stonecrop (Code: 3487)

This border classic has flat clusters of rosy-pink flowers on upright stems that turn coppery-red with the onset of cool weather. Leave seedheads in place for winter interest. A favorite with designers for low maintenance landscapes. (18-24" x 18") Zn4.

Sedum spurium 'Green Mantle'

Two Row Stonecrop (Code: 4351)

Large, vibrant green, succulent leaves hug the ground to form a low maintenance carpet. Crisp white summer flowers attract butterflies. (1-3" x 12-18") Zn3.

Sedum telephium 'Munstead Dark Red'

Stonecrop (Code: 5021)

Blooms midsummer to frost with multi-toned flowers, from raspberry-red hues to deep bronze. Dusky, blue-green leaves clothe upright maroon stems. (12-18" x 18") Zn3.

Sidalcea 'Purpetta'

False Mallow, Prairie Mallow (Code: 3545)

Dainty reddish-purple flowers line tall narrow stems above fresh green foliage mid-summer. A beautiful addition to the butterfly or hummingbird garden. (40" x 18-24") Zn5.

Sidalcea malviflora 'Mr. Lindbergh'

False Mallow (Code: 5858)

Strong spikes support vivid, deep rosy-red blooms. Extremely showy and free-flowering with a bushy habit. (24-30" x 24") Zn6.

Solidago 'Crown of Rays'

Goldenrod (Code: 6828)

Impressive late bloomer with large sprays of tiny golden-yellow flowers. Beautiful and easy to grow, it makes a great cut flower! (24" x 18") Zn4.

Solidaster x luteus 'Lemore'

Golden Aster (Code: 5707)

Hundreds of tiny lemon-yellow flowers in dense panicles cover deep green lanceolate leaves. A lovely late bloomer for cut flowers. (36" x 12-24") Zn6.

Spiraea japonica 'White Gold'

Japanese Spirea (Code: 5493)

Pure white flowers adorn gold-to-chartreuse foliage on this compact deciduous shrub. An outstanding variety offering excellent contrast. (3' x 3') Zn4. PP13609 Propagation Prohibited.

Spiraea thunbergii 'Ogon'

Spirea (Code: 4074)

Exquisite! An outstanding, golden-leaved cultivar with fine willow-like foliage and early spring white flowers. Bronze fall color. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn4.

Sedum x 'Thundercloud'

Stonecrop (Code: 4865)

Cloudy gray-green succulent foliage forms a compact mound. White flowers bloom in September and make a bold contrast against the foliage. (12-15" x 12-16") Zn3.

Sidalcea malviflora 'Brilliant'

False Mallow, Checkermallow (Code: 3548)

Attractive plant with carmine-red Malva-like flowers that appear from June to September on 30" stems. (30" x 18") Zn4.

Sidalcea malviflora 'Palustre'

False Mallow (Code: 6521)

Rosy-pink 1.5" cup-shaped flowers sparkle atop dark, scalloped foliage. Creeping stems weave through the border. This rare form makes a very pretty groundcover. (4-10" x 12-24") Zn6.

Solidago canadensis 'Baby Gold'

Goldenrod (Code: 3567)

Golden sprays of flowers in large curving panicles make this an essential garden addition for late summer color. Easy to grow. (24" x 18") Zn4.

Spiraea japonica 'Magic Carpet'

Japanese Spirea (Code: 5911)

This marvelous dwarf shrub glows with spring foliage in shades of copper, coral and rose. Vivid pink flowers bloom periodically through summer. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn4. PP9363 Propagation Prohibited.

Spiraea japonica var. bullata

Spirea (Code: 3883)

This is a low-growing shrub with toothed gray-green to blue-green leaves and deep rosy-pink corymb flowers in mid-summer. Great for rock gardens or where a low growing, low maintenance shrub is desired. (12-18" x 18-24") Zn4.

Stokesia laevis 'Silver Moon'

Stoke's Aster (Code: 3584)

Opalescent-white, aster-like flowers with tightly quilled rays resemble an exquisite Shasta daisy. A fantastic addition to the sunny border. (12" x 12") Zn5.

Symphytum x uplandicum 'Axminster Gold'

Variegated Comfrey (Code: 4398)

Bold and textural sunny-gold and green leaves make a fabulous foliage accent! Small clusters of dainty blue flowers add interest in early summer. (2' x 2') Zn4.

Tanacetum coccineum 'Duro'

Painted Daisy (Code: 3390)

Large double, carmine-purple, daisy-like flowers dance above ferny green foliage. A bright, eye-catching selection for the mixed border. (24" x 18") Zn5.

Tanacetum parthenium 'Aureum'

Feverfew (Code: 2403)

Bright golden leaves are set off by 1" white daisies with yellow centers. This great container plant blooms from summer through fall. (2' x 2') Zn4.

Tanacetum vulgare 'Isla Gold'

Tansy (Code: 4868)

Brilliant gold, lacy foliage holds its color until frost. The button-like yellow flowers and gold foliage complement each other to excellent effect. It's easy to grow in full sun. (2' x 2') Zn4.

Teucrium chamaedrys 'Summer Sunshine'

Germander (Code: 3764)

Beautiful bright golden, evergreen foliage has purple-pink flowers. A real eye-catcher that's sure to get lots of attention. Drought tolerant once established. (6-8" x 12-16") Zn5.

Thalictrum flavum 'Illuminator'

Meadow Rue (Code: 4164)

Intriguing columbine-like foliage emerges pale gold/chartreuse with bronzy-pink highlights. Airy clusters of tiny yellow, fragrant flowers on tall stems, June and July. Excellent for creating unique color combinations in the border. (5' x 2') Zn5.

Thymus 'Gold Transparent'

Creeping Thyme (Code: 3603)

Shimmering gold and green foliage grows low and fast for a sun-loving, hardy, evergreen groundcover. Lilac blooms appear late summer. (3" x 12") Zn5.

Tanacetum coccineum 'Double Market'

Painted Daisy (Code: 3386)

Large and colorful daisies bloom in a mix of brilliant shades that include red, rose, pink or white; all with yellow centers. (24" x 18") Zn3.

Tanacetum coccineum 'Robinson's Red'

Painted Daisy (Code: 3388)

Large red, double flowers shine above lacy green foliage. A knockout in the garden, and also great for cutting. Blooms appear June through August. (24" x 18") Zn5.

Tanacetum vulgare 'Crispum'

Tansy (Code: 3587)

Luxurious, finely-cut, bright green foliage makes a lovely foil for spring and summer blossoms. Small yellow button-like flowers emerge late summer. It may require staking. (30" x 24") Zn4.

Teucrium chamaedrys

Germander (Code: 6522)

Neat little evergreen sub-shrub that can take trimming into mini-hedges or knot gardens. Glossy, deep green leaves and pretty lilac-pink flowers complete the picture. (15" x 15") Zn5.

Thalictrum 'Black Stockings'

Meadow Rue (Code: 3623)

Showy lavender-pink flowers top luxurious black stems and bright green leaves. Tall and beautiful for back of the border. (48" x 24") Zn5. PP4F

Thalictrum minus 'Adiantifolium'

Meadow Rue (Code: 5054)

Foliage resembling that of a maidenhair fern is excellent for use in floral arrangements. Dainty chartreuse flowers add visual interest. A unique and beautiful selection that can naturalize nicely. (12-18" x 12") Zn5.

Thymus doerfleri 'Bressingham'

Creeping Thyme (Code: 5943)

A carpet of fuzzy gray-green, evergreen leaves and soft pink flowers makes it a dainty accent for the rockery, between pavers, or at borders edge. Best in full sun with good drainage. (4" x 18") Zn4.

Thymus herba-barona

Caraway Thyme (Code: 8245)

Dark green leaves have a delightful caraway scent and flavor. Good in culinary dishes; especially stir fry and meat. It's ideal for the rock garden. (4" x 16") Zn6.

Thymus praecox 'Coccineus'

Creeping Thyme (Code: 3612)

Dainty rose-red flowers completely cover this creeping thyme in summer. The evergreen foliage turns somewhat red in winter. (2-3" x 18") Zn4.

Thymus praecox 'Minus'

Miniature Creeping Thyme (Code: 3615)

Tiny, overlapping, gray-green, evergreen leaves form a low mat. Small pink flowers appear midsummer. Nice for planting between pavers. (1" x 10") Zn4.

Thymus praecox 'Pink Chintz'

Creeping Thyme (Code: 3609)

Soft, hairy, gray-green, evergreen foliage is topped by pale pink flowers in summer. It's drought tolerant and sun loving. (1-3" x 12") Zn4.

Thymus pseudolanuginosus

Woolly Thyme (Code: 3606)

Soft, completely prostrate, silvery-green, evergreen foliage has pink flowers in summer. It handles foot traffic well and is excellent for use between pavers. (1" x 12") Zn4.

Thymus thracicus 'Lavender'

Lavender-Scented Thyme (Code: 5461)

Wonderful needle-leaved culinary thyme has a rich fragrance similar to lavender. It can also be used as a drought tolerant, evergreen groundcover. (10" x 18") Zn5.

Thymus vulgaris 'English Wedgewood'

French Thyme (Code: 5412)

This lovely mound-forming, evergreen thyme has good flavor and is excellent for the culinary herb garden. Pink flowers appear in early summer. (9" x 14") Zn6.

Thymus praecox 'Albus'

Creeping Thyme (Code: 3614)

Starry white flowers top tiny bright green leaves. It forms a fragrant, tightly-matted groundcover underfoot; perfect along pathways or between pavers. (1" x 12") Zn4.

Thymus praecox 'Hartington Silver'

Silver Creeping Thyme (Code: 4709)

Creeping English thyme with beautiful, aromatic, tiny green leaves edged in gold. It makes an excellent mat-forming, evergreen groundcover or use between pavers. (2-3" x 12") Zn4.

Thymus praecox 'Nutmeg'

Creeping Thyme (Code: 8256)

A profusion of deep purple-carmine blooms cover this tight, deep green, evergreen groundcover in summer. It is drought tolerant and sun loving. (1" x 12") Zn4.

Thymus praecox 'Reiter's Red'

Creeping Thyme (Code: 4449)

Rich olive-green, evergreen foliage grows thick and tough, making it an ideal groundcover or alternative for grass. Lavender-pink flowers add to its appeal mid-summer. (2-3" x 18") Zn5.

Thymus pulegioides 'Foxley'

Variegated Thyme (Code: 4448)

Mounds of soft, shiny, cream & green-variegated evergreen foliage contrasts nicely with dark pink blooms in summer. Perfect in rockeries, along paths or the herb garden. (8" x 12") Zn7.

Thymus vulgaris 'Dot Wells'

French Thyme (Code: 3759)

An upright grower ideal for the culinary garden. Pale pink flowers bloom from summer to fall over the very fragrant foliage. (6-12" x 12") Zn4.

Thymus vulgaris 'Narrow Leaf French'

French Thyme (Code: 5460)

Fine gray leaves hold small white flowers during the summer. Excellent flavor for cooking. It may also be used as an evergreen groundcover or rockery accent. (12" x 18") Zn6.

Thymus vulgaris 'Orange Balsam'

Orange Thyme (Code: 5531)

Wonderful orange fragrance and flavor! Small gray, evergreen leaves are topped by the tiniest, palest lavender flowers. It's both ornamental and edible. (12" x 18") Zn5.

Thymus vulgaris 'Silver Posie'

Variegated Thyme (Code: 6860)

This beautiful thyme features fragrant deep green, evergreen leaves, each edged with a wide silvery-white margin. New growth appears with a nice rosy tinge. (6-10" x 18-24") Zn6.

Thymus x 'Pink Ripple'

Pink Ripple Thyme (Code: 5430)

Light green, lemon-scented foliage creates a spreading evergreen carpet topped by pink flowers in summer. An excellent choice for pathways, between pavers, or in the rockery. (6" x 12") Zn5.

Thymus x citriodorus 'Archer's Gold'

Lemon Thyme (Code: 3602)

Creeping thyme with brilliant golden, evergreen foliage that is especially bright in winter and spring. Excellent between pavers or spilling around stones. (2" x 12") Zn5.

Thymus x citriodorus 'Argenteus'

Silver Variegated Lemon Thyme (Code: 8253)

Glossy ivory and gray-green foliage adds interest to the rockery. This slow-growing variety has an excellent lemon flavor. (8" x 12") Zn5.

Thymus x citriodorus 'Aureus'

Gold Variegated Thyme (Code: 8251)

Small evergreen thyme with bright gold and gray-green foliage. Wonderful strong lemon flavor combines well with many chicken or fish dishes. Perfect in containers. (8" x 12") Zn6.

Thymus x citriodorus 'Doone Valley'

Variegated Thyme (Code: 5173)

Green foliage has irregular golden patches, which become red-tinted in winter. Fragrant lavender flowers appear from August through September. (4" x 12") Zn5.

Thymus x citriodorus 'Lemon Frost'

Lemon Thyme (Code: 4160)

This excellent selection exudes the sweet and pure fragrance of lemons when walked upon. Profuse white flowers provide the "frost" in June and July. An excellent choice for an evergreen groundcover or between pavers. (4" x 12") Zn6.

Thymus x citriodorus 'Lime'

Lime Thyme (Code: 3761)

Bright chartreuse leaves brighten up any garden. It has a lovely citrus scent and pink flowers. A nice plant to border pathways or as an evergreen groundcover. (4" x 12-16") Zn5.

Thymus x citriodorus 'Spicy Orange'

Citrus-Scented Thyme (Code: 6896)

This prostrate, needle-leaved thyme makes an excellent evergreen groundcover. Releasing a refreshing scent of oranges when crushed, it is perfect between pavers. (4" x 24") Zn5.

Verbascum 'Dark Eyes'

Mullein (Code: 4143)

Pale yellow spikes with large dark red centers bloom repeatedly. Large silver-green leaves have a rough texture and combines easily with other plants for the front of the border. (10-12" x 12") Zn5. PP16986, EU19206 Propagation Prohibited.

Verbascum 'Eleanor's Blush'

Mullein (Code: 7307)

A chance seedling with large, gray-green leaves and strong flower spikes of peachy-orange with lighter centers. Remove spent flowers for rebloom. (36-48" x 12-18") Zn5.

Verbascum 'Jackie in Pink'

Mullein (Code: 4029)

18" spires of pure pink blooms appear above large rosettes of foliage in summer and will rebloom if deadheaded. It performs best in well-drained soil. (18" x 12") Zn5. PP15735 Propagation Prohibited.

Verbascum 'Lavender Lass'

Mullein (Code: 3626)

An abundance of velvety lavender flowers top compact ruffled foliage. Loads of color! Requires good drainage and will rebloom if deadheaded. (9-24" x 14") Zn5. PP16658, PVR Propagation Prohibited.

Verbascum phoeniceum 'Violetta'

Mullein (Code: 4482)

Stunning dark purple candles rise above rosettes of fresh green leaves. Will rebloom all summer if spent flowers are removed. Prefers sun in well-drained soil. (3' x 2') Zn6.

Verbena 'Lanai' Light Blue 09'

Verbean (Code: 7851)

Large clusters of sky blue flowers with improved color and size over the original, hence the '09'. This Verbena is heat tolerant and powdery mildew resistant! A must for any container. (8-10" x 8-12") Zn10.

Verbena 'Rapunzel Lilac'

Verbena (Code: 7846)

Large clusters of self cleaning lilac-purple blooms on this semi-trailing variety of Verbena. Prize pick for hanging baskets, containers or sunny borders. (5-10" x 8-12") Zn10.

Verbena 'Veralena Cherry'

Verbena (Code: 7584)

Cherry-red flowers bloom all summer long! The trailing foliage is excellent spilling out of containers or it can be used as a summer groundcover. (6-10" x 24-36") Zn7.

Veronica 'Eveline'

Speedwell (Code: 4040)

Purple flower spikes bloom most of the summer on a plant that stays neat and compact. (15-18" x 12") Zn4. PP14888 Propagation Prohibited.

Veronica montana 'Corrine Tremaine'

Speedwell (Code: 6742)

Beautiful low-growing groundcover with creamy-white and green-variegated leaves and tiny lilac flowers. Excellent selection for rockery or edge of the border. (3" x 12") Zn3.

Veronica prostrata 'Aztec Gold'

Speedwell (Code: 4041)

Bright gold, spreading mat of foliage forms a groundcover with 6" violet spikes in the spring. The foliage will turn chartreuse in partial shade. (4-6" x 12") Zn3. PP13354, EU13144 Propagation Prohibited.

Veronica spicata 'Royal Candles'

Spike Speedwell (Code: 8119)

Crowned with incredible deep violet-blue flower spikes in summer, this princely perennial is compact and floriferous. (15" x 18") Zn3. PP18932 Propagation Prohibited.

Verbena 'Homestead Purple'

Verbena (Code: 5227)

Rich dark purple flowers appear all summer long and are very attractive to butterflies! The dark green spreading foliage is mildew resistant. It's very vigorous and trouble-free. (8-16" x 24-36") Zn7.

Verbena 'Lapis Lazuli Blue'

Verbena (Code: 5215)

Clusters of brilliant deep blue-purple flowers provide non-stop color spring until frost! It has a cascading habit that is a perfect choice for planters. (6-10" x 12") Zn7.

Verbena 'St. Paul' ('Sissinghurst')

Verbena (Code: 3749)

Showy green foliage is covered with hot pink flowers in early spring. Perfect for retaining walls or between stepping stones. It forms a low-growing mat. (6" x 24-36") Zn7.

Veronica 'Darwin's Blue'

Speedwell (Code: 4032)

Violet-blue spikes bloom June to August. Carefree and easy to grow, it always looks tidy and clean throughout the season. (18-22" x 12-18") Zn4. PP13070 Propagation Prohibited.

Veronica 'Giles van Hees'

Speedwell (Code: 8015)

This dwarf variety has deep pink flower spikes from midsummer until frost. Introduced by Carroll Gardens. (6-10" x 12") Zn5.

Veronica peduncularis 'Georgia Blue'

Speedwell (Code: 6082)

This low-spreading, evergreen mound is smothered by round blue flowers with white eyes. This repeat bloomer is a "Great Plant Pick" for the Pacific Northwest! (6" x 18") Zn4.

Veronica repens 'Sunshine'

Speedwell (Code: 4756)

Tiny yellow leaves form an incredible golden carpet similar in habit to baby tears. Dainty ice-blue flowers appear in June. It makes an excellent groundcover. (1" x 18") Zn5.
